CHAIRMAN'S MESSAGE

Greetings, Brothers

I would like to offer my sincere "thanks" to all of the people who worked in the preparation of the set-up, food and festivities of the Grand Master's visit in October. The reception and meeting was a great success.

All of the brothers and their wives that assisted the 33rd district with our annual October Halloween bash and all of the people and lodges who supported this event with their ticket purchases are to be commended. All of the hard work has (again) translated into another successful (and fun) fund-raising event for our district. The final tally has not yet be calculated, however we did raise more net funds with this year's Halloween bash, than at the 2006 Halloween bash. Congratulations to all of us!!!!

We will announce the final totals for the 33rd district fund-raisers at the December Masters and Wardens meeting, but just to give you an idea of what the district has accomplished this year:

2007 fund-raisers: ladies night dinner dance, Majic Children's fund sock hop, business directory, clam bake benefit, and the Halloween bash. The minimum net funds raised with these 2007 endeavors: were over \$ 21,000.00.

We can all "pat ourselves on the back" for our teamwork in 2007.... Wow!!!!

The winner of the "2007 Worshipful Joe Weinberg award" will be announced at our December Masters and Wardens meeting.

Also in December we have the 33rd district annual Masonic Home Christmas Party, which will be Saturday, December 15th, in St. Petersburg.

I want to offer a very special "thanks, buddy" to R.:W.: Chef Nick Canora (again) for his banquet catering skills that he provided to the district at both the "Grand Masters Dinner" and the "Halloween bash" in October.

Mike Binder, Chairman

To my Brothers of the 33rd:

Congratulations to all my Brothers of the "Mighty" 33rd District for the outstanding representation you showed on our behalf during the Grand Master's Official Visit on Friday, October 12, 2007. Most Worshipful Robert P. Harry, Jr., and all the Grand Lodge Officers were very impressed and appreciative of the high attendance and the warm generosity of the Lodges and Brothers of our District. Well done.

The next major event for our district is the Masonic Home Christmas Party on Saturday, December 16, 2007, which is sponsored in total by our district. The 33rd District has put on this Christmas Party for the Masonic Home Residents for over 40 years. My Brothers and ladies, who have never been to this event, should make every effort to attend and I promise you will be most gratified.

We have arranged a block of rooms at the La Quinta Inn, 4999 34th Street North, St. Petersburg, Florida 33714, for that weekend.

My Brothers, thank you for your continued support.

Fraternally,
Frederick H. Stoltzfus

How Masons Changed History:

When we realize how many Presidents, Prime Ministers, Senators, Representatives, Governors, Mayors and Generals were Masons, we find a big disproportion when compared to any other fraternity or society.

Some people think that Masonry is so powerful that it can elect the people it wants, but that is not the fact.

Actually, Masonry is a school of leadership. Let's understand how it works, in brief.

Historically young Masons are fairly educated men in their 20's, 30's, and 40's, from good families, and very committed to their future.

First, a candidate to Masonry has to be recommended by two Brothers who know him well and attest that he is of high moral standards, industrious and temperate. But as this is not enough, the Lodge will investigate the candidate and only if found acceptable to all members of the Lodge will he be received.

Afterwards, he will go through a series of teachings and degrees where he will be inculcated with the purest principles of morality, intellectuality, and spirituality, meeting with his older Brother before, between, and after the Degrees for coaching. Can you believe how much better a good man will become after his journey where any discouragement he might have had about the trend of our society will be dissipated, where he will find people concerned with the problems our society faces and will look for high standard solutions ?.

In Masonry he will widen his view and his sense of belonging and responsibility towards his Brothers as a first step, society and country as a second step, and humanity as the third.

He will understand that all men are created equal, entitled to one vote; that government of the people, by the people, and for the people is the only form of government acceptable, that everybody is entitled to his freedom of thinking, expression, and conscience.

In practical terms he will learn how to elect officers for his Lodge, done yearly, and experiencing the feedback of his vote, learning from it. He will learn how to work with others at the same level, how to respect authority, and how to handle authority when given him by the Brothers.

(To be continued next month)

Come to our next school of instructions
Lets learn together.
