"THE VALLEY OF TERRE HAUTE"

MARCH 2008

The Valley View

MARCH MADNESS!!

Well it's here March Madness, better known to us HOOSIERS as the Final Four tournament. Every one of the teams is now working on their game plan and how to achieve that ultimate goal. Winning it all!! They have worked hard all year and are now ready to kick it in for that final stretch run. ALL members need to be working together as ONE to be the champion.

This is the same for our Valley. It is now approaching convocation, our tournament time, we need to WIN. We are a team. We have been setting everything up for this April convocation, production, choir, cast, meal, and new members. Did I say new members? Yes I did, and now I ask you: Have you brought in a new member this year? Have you talked to a Blue Lodge member about joining the Scottish Rite? If not it's not too late, the tournament is always going on for us. We are always building for a Championship.

Just like all Blue Chip Teams, people always want to go there or be a part of the winning team and their tradition. That is the way the SCOTTISH RITE VALLEY of TERRE HAUTE should be. WE ARE CHAMPIONS, BE A TEAM PLAYER, SIGN A PETITION FOR THE TEAM.

See you at Convocation,
Steve Lindsay, 33° Executive Secretary

Production Department

We are about to embark on a new effort to make our Convocations more easily attended by the new brethren and by our (dare I say) old brethren. This will be the first time that I recall having a two Saturday Convocation and not having to shorten the number of Degrees shown. We will be busy, but I think that it will be helpful to many of our prospective members that have limited time.

We have a need for more helpers in productions. Al Brodhacker's assistant, Homer, has been pulling double duty for a long time now. He is a Line Officer, and has assigned duties, he also works in wardrobe. He will soon be the top officer in his line and will have to be available to do all sorts of things. We need to find someone to help in wardrobe so Homer can do "penguin" stuff. This is the Time and Wardrobe is the place. If you would like to get active, please let us know. (We have fitted Al with a muzzle so that he can't bite.). Les Scott can use some people in make-up. Les says that's the best job in the place because you get to see everybody at some point during the Convocation. He started out doing make up for an undertaker. Sort of makes you shiver when you think of it.

While I'm on the subject of help: We had some new people help on the stage last convocation and they just did a great job. I hope that all you guys will come back this time. We all appreciated your help, and had a good time getting to know you.

Looking forward to seeing everyone at the Spring Convocation. Charlie
