Shoot-out in Linton

Several members of the Valley of Terre Haute were in Linton on June 2 for a memorable shootout. Black powder was burned in large quantities, some targets were hit. Our own Perry Bovenschen, MSA was tied for top score, his flintlock came through for him again and again. It was proved that, as one respected Rose Croix member said of Glenn Millers shooting, "run from him and you'll just die tired." The felowship and good times were there as always. The food, an excellent Beef Stew, with homemade cornbread, and fresh baked pies was flat out beyond belief. A highly respected Past Sovereign Prince, said, yes thats good, guess I'll have to have some more, several of us followed his lead several times. A great time was had by all. The devious character who hid most of the targets, despite the fact they were painted emergency orange, had to site in on them too. What goes around comes around Perry.

You better figure on going next year, its a good time even if you never pull a trigger.

COUNCIL OF DELIBERATION MEETING

Those words just aren't enough to express my appreciation for all the effort that so many of my Brothers and friends put into the Hospitality Room at the Council of Deliberation. So many people helped so much, it made what could have been a huge job into a very enjoyable time. Thank you, for being the wonderful friends that you are. Lynn (AKA Suzy) and I owe you bigtime. Thank you, Kevin Williams
