“BACK TO SCHOOL”

The other day I was wandering through the store (Walmart) doing my list that my lovely wife gives me everyday. (All you husband's know what I'm talking about!) I noticed all the Back to School items in the store: pens, pencils, back packs, notebooks, lunch boxes, etc. There must have been hundreds of different kinds of items. Kids and parents alike were going through all this and enjoying the wide variety of products.

Does this sound familiar? It reminds me of **OUR VALLEY**. Variety: we all have different likes, interests, and events. We need to showcase our products more and get excited about them.

Let's all get ready for our Back to School events: Golf Outing, Black Powder Shoot, Fish Fry, Fall Convocation, Appreciation Dinner, County meetings, and more.

Get excited!! Get those pens and pencils out and sign up some new members to join in on the fun and excitement. There's no better time than now. The summer is ending; time for school to start.
