### From the East

I am happy to report that construction of our permanent sign has begun and it is scheduled to be installed on Tuesday, May 27<sup>th</sup>.

There is also good news regarding the roof of the Lodge. A contract was awarded to Gucci Brothers and the new roof has since been installed. Monies in payment of the new roof were provided by The Beverly-Riverside Masonic Association. Our sincere thanks go out to The Hall Trustees in their swift handling of this matter to protect and ensure our meeting place and to the Association for providing the funds for this venture.

Speaking of protecting and beautifying our meeting place, this Saturday, June 7<sup>th</sup> we will be painting the exterior of our building. The Hall Trustees will make arrangements for scaffolding as well as paint and supplies. All we need is YOU and your roller handles and sticks (if you have them). Representatives of our various organizations are expected and if bodies are plentiful we hope to finish in one day. If necessary, we will finish up on Sunday, June 8<sup>th</sup>. So put on your coveralls and hats and come on out. It is my understanding that the O.E.S. is holding a Hoagie Sale that day so you don't have to worry about your lunch. Help the "Star" out by supporting their sale. Beverages are also likely to be available for sale that day.

I would like to thank those Brothers and their families that recently participated in the Wheel Chair push at the Masonic Home.

Special thanks go out to members of the various Lodges of the 19<sup>th</sup> District and to Brothers statewide for their participation in the "Step up for the ARC" Walk, which took place throughout the state during the weekend of May 17<sup>th</sup> and 18<sup>th</sup>. Locally, brothers of the 19<sup>th</sup> District participated at the walk held in Mill Creek Park in Willingboro on Sunday, May 18<sup>th</sup>, and was coordinated by Right Worshipful Charlie Gray. Thanks to all who participated and/or helped out. Our neighbors and favorite bakery, L & M Bakery, stepped up to the plate and donated 15 dozen donuts for the walkers to enjoy. Let's continue to support them as well.

On Thursday, June 12<sup>th</sup> we will be conferring the Master Mason Degree on our 4 Fellowcrafts if found proficient. We expect a visitation from Columbia Lodge #91 of Pennsylvania that night as well. Come on out for what should be a great evening.

We will be holding a dinner at 6:00 p.m. prior to our Regular Communication on June 19<sup>th</sup>, which will also be Gold Token Night. RWDDGM Russel E. Mitchell, Sr. will be in attendance to present our deserving brothers with their pins. Hope to see you out to the Lodge.

## Masonic Light

Ronald S. Stubbs, Worshipful Master

On April 28, 29 & 30<sup>th</sup>, I had the pleasure of attending the Annual Communication of the Grand Lodge of New Jersey in Atlantic City, N.J. It was a time of enjoying Masonic Fellowship with the Brethren of the 19<sup>th</sup> District and meeting and greeting fellow Masons from around the great State of New Jersey. I particularly enjoyed it this year, for it seemed special to me, representing my Lodge as Worshipful Master. It was surely an enjoyable time for all in attendance and for all of us to shine before the public; certain to make you feel proud to be a Freemason.

Upon my arrival at the hotel early on the afternoon of the 28<sup>th</sup>, after waiting in line to check-in, I was informed that one of our rooms was not ready and that I should return to the lobby around 4pm. While this news was not particularly encouraging, what else could I do? On my return to the lobby around 4:15pm, while once again standing in line, I observed another brother who encountered the same plight. This being his second trip to the lobby also, he was informed that his room was still not ready and to come back in another half hour (the same plight that I encountered). He was incensed by this latest news and he proceeded to verbally berate the hotel clerk; making demands upon her to take corrective action, that he had a contract promising him that his room would be available at 2:30pm. He demanded to see the manager, etc.

While none of us would be happy if we were exposed to the same set of circumstances, we must draw on our inner strength to keep our passions in due bounds with all mankind. This episode may very well forever trigger in the mind of the hotel clerk, hotel staff and other Non-Masonic by-standers, what a Mason is. This certainly does not paint a pretty picture of Freemasonry. We must be always vigilant in protecting the honor of our Great Fraternity and its members.

While I used the following passage in last months Trestle Board, I feel it appropriate to run it again:

### How True

*Oh, yes, we are all Craftsmen and very proud to be;*

*We wear our pins and rings for everyone to see.*

*But let us pose the question, even though the thought may sting-*

*Would you know me for a Mason, if you did not see the ring?*

*True we show Tenets of our ancient hallowed Creed.*

*Not just on coat and finger, but by words and deeds.*

*There's one thing to remember, if I've learned my lesson well*

*My deeds do more convincing than my finger or lapel.*

*By Bro. Anse Cates*

Remember my brothers, every human being has a claim upon your kind offices, do good unto all men, especially unto them who are of the household of faith. Finally, Brethren, be ye all of one mind; live in peace; and may the God of Love and Peace delight to dwell with, and bless you!

## Where Have The Brethren Gone?

Matthew Korang, PM, Historian

**WARNING** – The following message may cause an intense feeling of guilt. If you do not wish to feel guilty, do not read on.

I sat at a recent meeting and looked to the sidelines. What a shame. This is what our fraternity has come to? We had virtually no sideliners. We have the membership. We are 250+ strong. We have brought in over 15 new brothers in the last two years. Over three hundred Beverly-Riverside Trestleboards go out each month. Yes, we have the numbers, but where are the brethren?

I have monitored the “crowd” at each regular and emergent communication and have seen the numbers go down as the months have come and gone. Of course we have our regulars, and I am very thankful for that. The members who attend regularly are those that seem to be running the show. With out these few, very little would get done.

Meetings are not the only place the brothers are not showing up. Rehearsals are really suffering. Two Thursdays ago at a rehearsal for the upcoming MM degree a total of six officers showed up. One other brother showed; he is playing a craftsman’s part. Seven brothers. A MM degree requires at least 13 officers and 15 craftsmen. 28 brothers are needed to put a MM degree on. Seven showed up for practice.

I am a pretty avid reader and web-surfer. I have read all the articles about the stress on the American male, and the distractions each of us face every day and night. Who will the zillionaire chose??!! Who will be my next idol??!! Television poses a threat to our society, but it is not the real threat. We also have to deal with family issues that consume our time. Not only must we make time for the next episode of CSI or ER, we also have to make time for our wife and kids (or grandkids). Although we espouse that family comes first, the family pressure is a threat to our society, but not the real threat.

What is the real threat to our organization? An organization that has survived for 300+ years? One word – **APATHY**. Apathy is sapping the strength right out of our organization.

According to the Webster’s, Apathy is defined as 1. a lack of feeling or emotion : Impassiveness 2. a lack of interest or concern : Indifference.

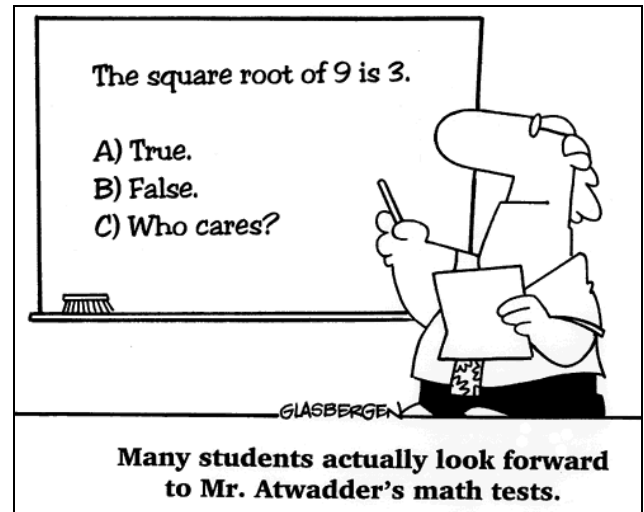

Indifference...Unfortunately it is striking the nation as a whole. Voter turn out is pathetic. All organizations are suffering from poor turn out. Major milestone events are suffering from poor attendance. No one cares anymore.

I would hope our fraternity would be immune from such apathy. We all sought out joining. None of us was asked to join. We needed something and Freemasonry seemed to fit the bill. Not everyone found what they were looking for and they drifted away either withdrawing or letting themselves be suspended for NPD. The rest of us though (250+) continue to pay our dues and call ourselves Masons. Obviously, not we have not given up wanting to be Masons or we would stop paying our dues.

Yet still, apathy keeps many away. We just don’t care enough to drag ourselves out of the house for a meeting or event. We schedule other things during days we know there is a lodge function or event. Some great nights have been planned by enthusiastic Worshipful Masters who expected big crowds, only to be disappointed by the lack of turn out. They even offer a free dinners and still no one shows up.

Not only must the WM worry about lack of turn-out to events, he must also worry about filling the chairs for degrees. Scramble making phone calls to other WMs who themselves are having the same problems. He should not have to do this brethren!

Each of us made a promise during our second and third degrees to attend regular meetings. Each of us promised to aid and assist our brothers. These two promises cover regular and emergent communications. Each month you receive a Trestleboard with a schedule of communications for the month. Rarely are there more than two. Two nights out of the month your lodge requests your attendance at the lodge hall. Health and business permitting. We have added family to this also. Unless your business, health or a family event stands in the way of coming to lodge, you should be at stated and emergent Lodge meetings. You made a promise to!!

This is especially true to a greater extent to the officers of the lodge. Not only did you make the above promises on the Great Light, you also made assurances to the WM and brethren that you would be there filling an officer's chair. You would be there to put on the best possible degree for new brothers. The best we can do requires us to have regular practices. All officers need to make a great effort to be at these practices. You promised you would!

This month, you have two great events that will give you a chance to redeem yourself to your lodge and brothers. On June 12<sup>th</sup> we will be having a MM degree raising four very enthusiastic candidates. These brothers will be the future of our lodge. They need to see that the Lodge is a great place to come each month and will want to lead at some point in their Masonic career. We will also have a lodge from Pennsylvania visiting us that night. Let us show them that we are not a "dead lodge". Only you can do this. If you are an officer or one of the 15 others that promised the WM you would be a part of this degree "team" you should be at practice of the 7<sup>th</sup>.

On June 19<sup>th</sup>, we will be having our Annual Gold Token Night. RW DDGM Russ Mitchell will be in attendance to give three of our brothers their Gold Tokens for 50+ years of service to the Lodge. Prior to the meeting, we will be giving one lucky local student an educational award for civil service and academic achievement. As if that isn't enough reason to come out, we will also be providing a dinner! For Free!!!

It's time Brethren. It's time to live up to the promises you made. Time to return to Lodge and play your part in keeping our organization alive and kicking. Time to support your Brother Mason - both rookie and veteran.

If call yourself a Mason and are not coming out to Lodge meeting, then you are not living by the oaths you took – those that made you a Mason. And if you're an officer of this lodge, you really have no excuse for not being there.

## Did You Know??

Did you know that Pleyel's Hymn's origins date back to 1791? And that the lyrics were written separately from the music? Here is some history of the men responsible for origination.

- Pleyel's Hymn was written by Ignaz Pleyel and published in 1791. Pleyel was a Mason and the Hymn was part of his '4th Quartet, op. 7'. In "Die Geschichte der Fraumererei in Oesterreich-Ungarn" by Ludwig Abafi, published in 1899 in Budapest, you will read (Volume 5, page 288) you may observe in the list of lodge members for the year 1784 that Ignace Pleyel was a Fellowcraft in Lodge "zum goldenen Rad" [The Golden Wheel – ed.] in Eberau, Hungary. This lodge worked under the Provincial Grand Lodge of Hungary, Grand Lodge of Austria, till the suppression of Freemasonry by Emperor Joseph II.
- The Lyrics to this hymn were written by Brother David Vinton. He was a teacher of the Masonic ritual (primarily the York Rite) in the Southern States, having the most success in North and South Carolina. He is best known for publishing at Dedham, Massachusetts, in 1816, a volume containing a selection of Masonic, Sentimental and Humorous Songs, Duets, Glee's, Canons, Rounds and Canjonets, under the title of "The Masonic Minstrel." Dedicated to the "Most Ancient and Honorable Fraternity of Free and Accepted Masons," brother Vinton sold 12,000 copies by subscription. It was in this volume that the words of the beautiful dirge used in the Third Degree is found.
- Bro. Vinton was expelled from the Craft. The details that led to Vinton's expulsion from the Grand Lodges of South Carolina, North Carolina, Connecticut, and Virginia, have always been a bit sketchy, but apparently relate to his taking liberties as a ritual teacher and writer. In 1821, Vinton was summoned by the Grand Chapter of Virginia to be examined on charges preferred against him by Franklin Lodge #4 of Royal Arch Masons, of which Vinton belonged. The charges were for "highly improper and unmasonic conduct." Vinton did not respond to the summons, so lost his privileges as a Mason in that Grand Chapter, and "throughout the world." It was publicly claimed within the craft that Vinton had made Mark Masters and Past Masters without a dispensation or a warrant.
- Brother David Vinton died in Shakertown, Kentucky in July, 1833. While on his death bed at that place, the Masons of Lodge No. 73 at Bowling Green, wrote to the Grand Lodge inquiring whether David Vinton was a Mason in Good Standing. The reply was in the negative. Brother Robert Morris, in writing about the circumstances of Vinton's life in the Masonic Journal, Volume 53, 1880, eloquently said, "And so the sweet poet and Masonic songster of the period died under a cloud, and his tombstone no emblem of the Craft could have."

Bro. Ignaz Pleyel
