

Message From the East

We were honored to have the Grand Master of South Carolina, Most Worshipful Barry Hickman and Grand Marshall RWBro Mike Broom attend our Installation Meeting and presented a plaque to WBro Del Vereen to commemorate his 40th year as Secretary of our Lodge. It was only the 2nd time a Grand Master has visited our Lodge. RWBro Rawl Scheibler did a masterful job performing the ceremony as WBro Tom Kronenwetter presented each officer for induction. I want to thank the Grand Master for coming and honoring our beloved Secretary. I also want to thank all of my officers for the support they have given me throughout the year and the great job each has done in performing their responsibilities. I wish all the officers continued success in their journey

through Masonry. Our fund raiser was a success on Dec. 5th despite the rain as we retreated to tents to keep dry. Our thanks to Bell and Bell Pontiac for the use of their parking lot. We served over 260 meals and the craft have been sending their money in for the tickets. We ask those who have not sent their unused tickets or the donation for them to please send them to Del Vereen, 2231 Highway 111, Little River, SC 29566. The money we receive goes to local charities.

Thank you to all who braved the cold and damp air to help with tickets, filling the to go boxes, serving and delivering meals and cleaning up. Our gratitude and thanks also go to WBro Steve Smith and his crew who include WBro Rhett Vereen and son WBro Joshua Smith for putting in our new heating and cooling system. Last week when we came into the Lodge it was 50 degrees. Within 15 minutes it was up to 68 degrees. A far cry from our previous relic. Being Master has been a great experience for me. All the craft have pitched in to make it a successful and memorable year and for this I am most grateful. We have accomplished all the goals that I set out to do. Thank you and Merry Christmas and a Happy New Year to you and your families. God Bless you all.

~ Master Roy "John" Worley

Notes from the Editor: First we commend our almost Past Master for a successful year. He laid out a plan and completed his goals for the lodge. We have new front doors, tile in the ante room, painted

Prayers

Our prayers go out to Bro George Wortheimer and his wife Julie and her family during this difficult time. May the Lord put his hand on her father's shoulder and comfort him. We also ask the Lord to comfort and heal Bro Ken White's wife Sandra.

We are saddened that RW Rawl Scheibler and his lovely wife will be returning to the Columbia area. We have benefited by his participation at our meetings, especially during our degrees with his wisdom and guidance, his lectures, charges, and working tools presentations. We will miss you Rawl and pray you will return for visits. We wish you and your wife all the best with Gods guidance, good health, and happiness.
