

# DINNER - DANCE

*Celebrating the*

TENTH ANNIVERSARY

*of*

MONTGOMERY FOREST No. 134

Saturday, March 29, 1958

7:00 p. m.

*Argyle Country Club*

## *History*

The evening of January 24, 1948, found about 150 SAPS fighting their way through a blinding snowstorm to the Silver Spring Armory. This was the date designated by the Supreme Tall Cedar for the institution of Montgomery Forest No. 134 T.C.L.

The snow reached a depth of 18 inches but these hardy wood choppers braved all obstacles and our Forest was born. Many Tall Cedars from neighboring Forests made the hazardous journey that evening and our members have always been grateful. The only scheduled event that failed to materialize was the parade. Georgia Avenue just couldn't take it.

Since that time we have steadily progressed, and we could not relate here our many achievements. We have been honored by having five appointments to the Supreme Forest and our units have won numerous prizes in Convention Parades. This year, we again hope to be honored at the Convention by the election of Leo A. Benedict as Supreme Tall Cedar of the United States.

Montgomery Forest has not gone forward by the efforts of any one man or group but by the unified efforts of all the members who comprise our Forest. Our fair ladies who have supported all our endeavors have contributed much to our success.

It is the hope of the Officers and Members of Montgomery Forest that we will be privileged to remain active and spend many long and happy years in the realm of Cedarism.

J.D.C.

# Menu
