# The Grand Tall Sez:—

Hi Si:—

Bye Si!!!

*Harry*

P. S. #1 Who says the GT can't be short?  
P. S. Seriously, the Grand Tall takes this last opportunity to thank one and all for their support to the Forest and him for the past year -- and congratulate you on your selection of Officers for the coming year. Montgomery Forest will continue to go forward in Cedarism, I hope a little more accelerated, this coming year.

Good Luck to Jerry, Alex, Bill Cain--Junior Deputy Elect, Ernie, Enio, Buddy, Ed and our new Trustee, John Hamilton and everyone else for 1957.

Will wish you one and all a Merry Christmas at our oyster fry and meeting on December 15th -- and a Happy New Year at our annual New Years Eve Dance on December 31st.

Cedarly *Harry*

~~—~~   ~~—~~   ~~—~~   ~~—~~

## Brother Cedars:

I would like to take this opportunity to thank all of the Brothers who voted me in as Senior Deputy Grand Tall Cedar. I will do my utmost in fulfilling this position. I would also like to thank all of the fellows that sold some of the Turkey Shoot cards. Thanks to Shorty Ross for taking a couple of hours every Sunday to shoot the cards. Brothers, let's make '57 a banner year--let's see how many Saps we can get in our January meeting. We could also use some Saps at the December meeting to give our outgoing Grand Tall a good send off.

Cedarly, *CEEK*

REFORESTATION - SUPPORT

Hi Si, how about a ticket to this or that Forest affair? - this is a very familiar question. The need of this question is to secure 100% participation of the Forest in all of its activities.

It requires ~~xx~~ number of dollars to operate the Forest including the many functions and necessary commitments and expenses attached to them. In making up the Budget of the Forest, only ~~x~~ number of dollars come from Dues, therefore, ~~xx~~ number of dollars must be obtained by various functions that the Forest must sponsor in order to balance out financially each year.

Like family expenses, everything is rising in cost, some of our necessary expenses have gone up 100% and only by all of us supporting Montgomery Forest and its affairs can we hope to overcome the increased load and maintain our balance. Besides, when you go to Forest affairs you are enjoying FUN, FRDLIC and good FELLOWSHIP (and so is the little woman), and Brother, that is our Cedar objective.

Let us get to a good start and call "Bill" Cain on JU 5-2271 and get your invitation to the New Year Eve Dance on December 31st at the Kensington Armory.

\*\*\*\*\*

The Scribe just received word that Brother Jimmie Britt returned to the Hospital for further treatment. Get on your feet jimmie, we are all for you.

\*\*\*\*\*

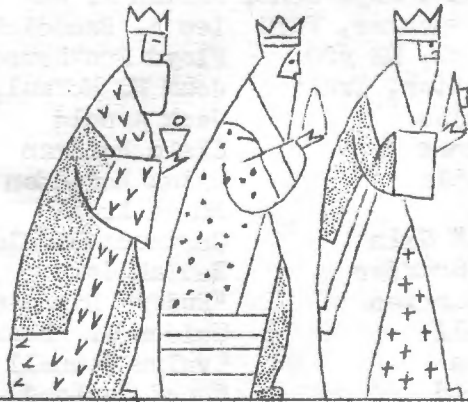

\*\*\*\*\* and his wife were riding along together in a car. They had been quarreling and hadn't spoken for a long time. Finally they passed a mile in a pasture. He pointed to the mule and asked his wife, "A relative of yours?"

"Yes," she answered, "by marriage."

\*\*\*\*\*

Are you going to make any New Years Resolutions? How about one like this-----I will go to all Cedar Meetings in 1957 and take my wife to all of the social affairs.

A MERRY

CHRISTMAS

J. C. Annan -- in Memoriam

-----

J. Myron Jones, our distinguished painter was relating some of his experiences to a friend. "One day I was painting the frame of a second floor bathroom window when a young woman entered and started to undress. She took off her shoes and stockings and then her dress, and just when she was about to take off her bra and panties the ladder broke."

"What a calamity at a time like that," remarked the friend.

"It sure was," Jones exclaimed, "but what could you expect with twenty Cedars on the ladder?"

Come on Si.  
Let's go pay  
our DUES

Have you looked at your  
Dues Dard lately???

On the reverse side it  
says "Void after ----"

Check your card and see whether you are standing upright in your Forest. If you aren't, then pay your dues and become upright. The Scribe has a number of 1955 and 1956 cards on hand. Those without their 1955 cards on December 31st, 1956 will be dropped. Remember the basic income for your Forest is from the dues.

1 9 5 7

The Scribe has your 1957 cards and will gladly exchange \$6.00 from you for a 1957 card, providing you have a current dues card.

Does the Scribe send out bills for the dues? NO. Many of the Cedars pay their dues by the first meeting night of the New Year and therefore the Forest saves postage, which would be an unnecessary expenditure.

Save all the trouble and worry and send the Scribe your money now--while it is fresh in your mind.

-----  
BBOSTER LIST--Just a thought, we want the Booster List to be larger than ever for 1957 so while you are paying your dues, add a dollar for each name that you want on the Booster List. Get your money's worth and have your money in before the January Echo goes to press.

-----  
When the gleam in your eye is from the sun hitting your bifocals, Brother--you're getting old!

MONTGOMERY CEDAR CLUB, INC.

Each meeting finds us a few hundred dollars nearer to our goal. Every once in a while someone is griping about our meeting place or the location of a social function. All we have to do is buy stock in the Corporation and your dream, our dream, will come true and we will have just the kind of a place that will be satisfactory to all. First you must do your share--that is buy a share and then keeping adding until you have a block of shares and also urge all of the other Cedars to help.

-----
