## BROTHER CEDARS:

Well brothers, I finally went into line. A lot of you know me , but some of you don't.

I would like all of you to know that my goals for the next 3 years are to get the Tall Cedars out in the Public Eye, and to increase our membership.

We will start with a "*Masonic Yard Sale*", on May 27th 1995 at Wood Middle School on Bauer Drive. Start saving those "Attic Treasures" and plan to come out and support your lodge. We are inviting all area MASONIC LODGES to join us in this event.

This should get us plenty of exposure in the community.

For those of you whom I haven't meet before, please come out so I can meet you.

As Chief Sidonian, we always are in need of Sidonians. If you remember some great stunts from long ago, please let me know what they were and we can do them again.

I hope I can do a good job for the lodge, and I hope to see more of you at our functions.

Cedarly,

A handwritten signature in cursive script, appearing to read "M. Gevinson".

## *From The Scribe*

Norman L. Clark, P.G.T.C.  
Scribe

I have been elected as the Scribe for 1995 and will do my best to ensure that the members received up-to-date information at all times.

I wish to thank the Forest for giving me the **TALL CEDAR AWARD FOR 1994**. This award is the second given (the first award was to Bob Allen) and I am very proud of this award and will wear the medal with pride at special occasions. I hope that the Forest continues to give this award.

Those who contributed \$3.00 to the Boosters and \$3.65. for MD for 1995 will be listed in the March ECHO. Those who have not sent in their money yet, please do so before the February membership meeting.

Congratulations to Ewe for being installed as Grand Tall Cedar, Mike Tolley as SDGTC, and to Marshall Gevninson as JDGTC. As the Scribe, I am very happy that my Friend, Emile Joseph has agreed to be the Treasurer for 1995 since we work together very well.

Cedarly,

Harry Annis, P.C.C.  
Chaplain

## *From The Chaplain*

*Your chaplain is available, his schedule permitting, for any clergy duties. Funerals, counseling or just talking over your problems. Call him at 1-301-949-7294.*

Jack was one of the Christmas or early parolees. He did not seek my help or any other. He made his parolee by himself. The jail chaplain would mention him many times, as to how serious he was. How he had found the right way, Jack was seen in the area several times. He grew a beard and was very dark. He was over six feet tall and weighed about two hundred fifty pounds, a big man. He did not own a car but would walk everywhere he went.

May was driving home this night when her car ran out of gas. This was on a road not traveled very much. She was petrified. Finally she left the car to walk to a gas station, over a mile away. A van appeared. There were two men in it. They got out and May froze. They started to rob her purse when she passed out. They did not see big jack as he came up. He said " Ithink I'll use yor C.B. to call the police. They were shocked and do to his size they just stood still. The call did get to the police and they were there in short time. The police called for an ambulance May was taken to a hospital. All three men were taken in but when the facts were known Jack was released.

May was released the next day. She tried to get in contact with Jack But he had no phone or any address that she could find. The chaplain at the jail called me to see if I could find Jack, I did find Jack living on the street. He told me how he was an alcoholic and committed many crimes. " I don't want to be homeless, I'm not crazy. While in jail I kicked the alcohol problem. You don't know how hard it is to get work. I may get a day here and there but I want to be somebody." I told jack his worries were over, if he was serious and truthful with me. You have a job and plenty of help. Jack learned very fast all that was taught him.

## Montgomery Cedarettes

Dear Cedarettes:

Our installation of officers on December 17 went off great! It was a lot of work and a lot of planning, but it's all worth it when you see an installation the way we do it in Montgomery Forest!

I want to thank the members for your confidence in electing me to be your president for the coming year. I will do my best, and I know that I have a great group of ladies behind me.

Congratulations to my fellow officers on their election and installation. I am looking forward to working with you throughout the year.

I also want to thank the ladies who spent so many long hours helping me make the centerpieces and favors, and preparing the food for the installation. Only you and I know how much time and work it took. But we also know it can be a lot of fun working as a team.

The installing team, consisting of all past presidents, did a splendid job of installing me and my fellow officers. My special thanks to the Installing Officer, Mary Thomson, and the rest of the team consisting of Pearl Hunt, Beryl Moyer, Yvonne Jerman, Nancy Smith and Jean Sharpless. You made me feel very proud.

On behalf of the Montgomery Cedarettes, I want to congratulate Grand Tall Cedar, Uwe Reiber, and his fellow officers on their elections and installations. We will be ready to aid and assist Montgomery Forest whenever called upon.

## *Guess Who? - and Where?*

CHAPLAIN CON'T

Jack never thought he was a hero, although May called many times to thank him. She even tried to pay him, he refused and said " You know I read in the bible that we were to help our fellow beings, thats all I did." Jack did look fiercesome big, dark and clothes from a shelter. He shaved his beard we got him some good clothes. Today he is a good citizen and a christian. Jack is still a member of alcoholics annonomous. He has made a mark for himself. He now has a car an apartment and I think he may get married soon.

This could be from the garbage pile of humanity to the jewel of our society. God does work in mysterious ways.

Cedarly,  
*Harry* 

## THE OBJECTS OF TALL CEDARISM

1. To provide social entertainment and clean, wholesome recreation; promote a wider acquaintance and a more sincere friendship among Master Masons; perpetuate itself as a fraternal, charitable and social organization.
2. To bind Master Masons more closely together and cooperate fully with all Masonic bodies in upholding the Ancient Landmarks of Freemasonry, and by precept and example to hold aloft and further the tenets of the Craft.
3. To create and maintain cooperation, peace and harmony among Master Masons and to discountenance jealousy, rivalry and ill feeling among Master Masons and Masonic bodies.
4. To emphasize that a Master Mason is not only a member of the Blue Lodge to which he belongs, but an integral part of the Masonic fraternity as a whole.
5. To teach that a Master Mason should not be judged by his worldly wealth or honors, his social status, or the manner in which he earns his livelihood, but from the viewpoint of true equality.
6. To urge all Tall Cedars to meet upon a Common Level at all times, to practice true peace and harmony, and to be ever mindful of a Brother's welfare.
7. To remind all Tall Cedars that they were first Master Masons and should refrain from saying or doing anything which would bring discredit upon the White Lambskin, which is the badge of a Mason; or upon the Pyramid, which is the badge of a Tall Cedar.
8. To teach that Tall Cedars, as Master Masons, are brothers upon the street as well as in the Lodge Room or the meeting place of the Forest, and thus should practice true brotherly love and affection towards one another.
9. To scatter sunshine, afford surcease from the cares and labors of the day, provide entertainment and refreshment without excess; and adhere to the cardinal principles of Cedarism: **HOSPITALITY, SOCIABILITY and GOOD FELLOWSHIP.**
10. To establish and maintain Research Laboratories in assisting in the combatting of the "Killer Disease"—**MUSCULAR DYSTROPHY**, which activity has been adopted as the National Objective of Cedarism.

of resting under the shades of the Tall Cedars of Lebanon, hereby  
offer myself as a candidate for the mysteries of this order.

I furthermore declare that I have never previously applied for the  
degree of Tall Cedar, nor have I to my knowledge, been elected or  
rejected by any Forest of Tall Cedars of Lebanon.

If found eligible, I promise to cheerfully conform to all the  
established usages, customs, regulations and the Constitution, By-Laws  
and edicts of the Supreme Forest together with those of this Forest.
