Ralph Colley  
Grand Tall Cedar

Brothers:

Well it,s all over 1995 that is.The installation was a great success. I feel very good about the fact that the SGD was at my installation,also our Grand Tall was able to be there. There were over one hundred present,and that to made me feel great.

Now let's get down to the New Year of 1996 in good style seeing if we can attend as many meetings as possible in the coming year.We have dinners set for every meeting next year so you can all come out,have dinner and enjoy your Forest,

We have our Med-Winter 12 13 14 of January. Our executive meeting will be held on January 20th at my home at 11.30 A.M. 13807 Arctic Ave., Rockville, Md. because our first ex. meeting falls on New Years Day. Following our January meeting, we will have a joint memorial service, Cedars and Cedarettes.

A delicious dinner will be served at 6:30 P.M. followed by our regular meeting.

At this writing a definite date has not been set for the Jobies Bowl-A-Thon.

On behalf of Montgomery Forest I would like to take this opportunity to thank Lisa and Bob Allen for the generous use of their home for meetings and picnics over the last few years.

Grand Tall Cedar

BROTHER CEDARS:

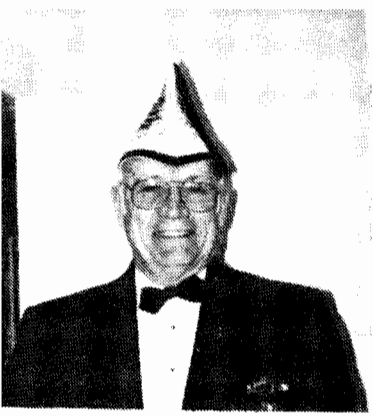

**D**ecember was Installation month and Fun and Frolic prevailed through the serious parts in all forests. January will bring us **Mid-Winter Convention** in Hershey, Penn. I am looking forward to visiting the "Road Runners" hospitality room after a day of seminars and meetings. January will be Montgomery's joint Memorial Service. February will once again give the District that rare opportunity to attend the "Infamous" Ground Hog Dance that Prince Georges puts on each year. Bring your dancing shoes.

**CONVENTION IS JUST AROUND THE CORNER, START MAKING ROOM  
ON YOUR CALENDAR NOW, SO THAT YOU CAN ATTEND**

Watch the ECHO for more Convention information. Please give our new Grand Tall a good showing for his first meeting in January and also support our new President of the Cedarettes, a full Forest is a very happy sight to behold from the East.

Cedarly,

### BROTHER CEDARS

Now that Installation is over and a new year is about to begin, how about making a resolution to attend the Forest Meetings more often?

Please join us for the Joint Cedar and Cedurette Memorial in January for those who have passed from our presence.

Don't forget there will be a dinner before the Forest Meeting in February with light refreshments after the meeting.

### **BROTHER CEDARS:**

Congratulations to all of the Cedars and Cedarettes elected and appointed for 1996. A special congratulations to PGTC Chuck Ware for being presented the TALL CEDAR OF THE YEAR FOR 1995 at the November meeting. This award is made to a member who is not a elected member of the Forest for outstanding contributions to the Forest during the year. This year, with the help of the Cedarettes, the Forest collected over \$10,000.00 for MD. Brother Chuck Ware worked hard in coordinating all the MD activities for the year and richly deserves this award.

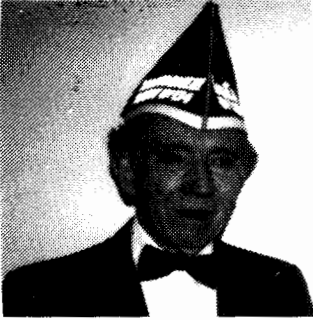

**BOOSTERS AND 365 CLUB.** The Echo listings will be changed on 20 February and published in the March-April issue. The Boosters help defray the cost of publishing and mailing the Echo and the monies received for the 365 help to eradicate MD. Please send all Booster and 365 contributions to me prior to 20 February 1996.

Cedarly,

## From The Chaplain

Harry Annis, P.S.T.C.  
Chaplain

*Your chaplain is available, his schedule permitting, for any clergy duties. Funerals, counseling or just talking over your problems. Call him at 1-301-949-7294.*

Joe was living on a large piece of land, in a small house, owned by the county. His rent was very reasonable. He only had a small social security check and he made ends meet.

The day in question Joe was walking, as he did every day, near his house. Joe saw a car stop and a man toss a puppy out, he then got a shot gun and just then Joe came upon him and said, "Put that gun away it's unlawful to shoot a gun here." Joe then spotted the puppy and said "What were you about to do? Shoot the pup? You snake get out of here before I make you sorry you were ever born." The man got in his car and left. The pup was still there. Joe took the puppy in his house and washed and fed him. The next day Joe took the pup to the animal shelter and had the usual work done and bought a license.

Everywhere Joe went the dog would follow. They loved each other. The dog grew to be large, it was a mix and looked more like a German Shepherd.

The years go by and Joe and Sam, the name Joe gave the dog, continued to be each others constant companions. Then one night a fire broke out in a portion of the house. The fire department came but because the house was old they were hesitant about entering. The flames were coming out of the back, the firemen put up a rope type and said it was too dangerous to go near it.

# Montgomery Cedarettes

May we be a little less impatient with those we think  
are too slow,  
A little less arrogant because of all we think we know  
A little more forgiving and swifter to be kind,  
And a little more eager to be friendly all the time.

Dear Cedarettes,

I'd like to thank the Installing officers, Jean, Jane, Pearl, Beryl, Ellen, and Sonja. You did a fantastic job. I especially appreciate my Mom and Dad flying in from sunny Florida to participate in our ceremony. Pearl and Nancy, you looked so cute as Raggedy Ann (Nancy) and Raggedy Andy (Pearl). When my daughter asked me to look in the coat closet, I never dreamed I would have my very own live Raggedys at the Installation. What a wonderful surprise!!

Thank you to all of the elected officers, appointed officers, and all committee members, who volunteered to serve Montgomery Cedarettes in 1996. I look forward to working together and having fun together in order to benefit our Forest. Yes, we will work, but we can have fun while we work if we just remember that we are friends.

I have noticed that several of my Raggedys are missing. I realize they are just visiting. However, please remember my deal: Raggedys can be borrowed as long as they are returned with Muscular Dystrophy money attached. THANK YOU!

Lisa, even though the year of the elephant is over, we will always remember the fun we had while helping the Forest raise over \$10,000 for Muscular Dystrophy and working together to better our organization. You did a terrific job as our 17th president! We all thank you!

CEDARETTES CON'T PG. 9

Our first meeting of 1996 will be held on January 20 at 8:00 p.m. We will welcome three new members. Two, Jodie Brenner and Cynthia Gevinson, are daughters of Montgomery Cedars and Cedarettes. The third is a friend of mine and Cynthia's and I know you will love her as much as we do. So please come and help us welcome our newcomers. Following our Cedarette meeting we will, as last year, be joining the Cedars to remember our members who passed away in 1995, by participating in a joint memorial service.

Please remember our January 3 Executive Meeting will be held at Linda Gevinson's at 7:30 p.m.

At the February meeting we will reveal our 1995 secret pals and pick new names for 1996. I have had several members who did not participate in '95 tell me they are looking forward to participating in '96. We will have a new Ways and Means activity this month. We will be having three Pampered Chef Parties. It is our hope that everyone will be able to attend one.

On behalf of the Montgomery Cedarettes, I would like to congratulate the 1996 officers of Montgomery Forest. We look forward to a lot of FUN, FROLIC, AND FELLOWSHIP while working together to help in the fight against Muscular Dystrophy.

Cedarettely,

Linda Gevinson

## THE OBJECTS OF TALL CEDARISM

1. To provide social entertainment and clean, wholesome recreation; promote a wider acquaintance and a more sincere friendship among Master Masons; perpetuate itself as a fraternal, charitable and social organization.
2. To bind Master Masons more closely together and cooperate fully with all Masonic bodies in upholding the Ancient Landmarks of Freemasonry, and by precept and example to hold aloft and further the tenets of the Craft.
3. To create and maintain cooperation, peace and harmony among Master Masons and to discountenance jealousy, rivalry and ill feeling among Master Masons and Masonic bodies.
4. To emphasize that a Master Mason is not only a member of the Blue Lodge to which he belongs, but an integral part of the Masonic fraternity as a whole.
5. To teach that a Master Mason should not be judged by his worldly wealth or honors, his social status, or the manner in which he earns his livelihood, but from the viewpoint of true equality.
6. To urge all Tall Cedars to meet upon a Common Level at all times, to practice true peace and harmony, and to be ever mindful of a Brother's welfare.
7. To remind all Tall Cedars that they were first Master Masons and should refrain from saying or doing anything which would bring discredit upon the White Lambskin, which is the badge of a Mason; or upon the Pyramid, which is the badge of a Tall Cedar.
8. To teach that Tall Cedars, as Master Masons, are brothers upon the street as well as in the Lodge Room or the meeting place of the Forest, and thus should practice true brotherly love and affection towards one another.
9. To scatter sunshine, afford surcease from the cares and labors of the day, provide entertainment and refreshment without excess; and adhere to the cardinal principles of Cedarism: HOSPITALITY, SOCIABILITY and GOOD FELLOWSHIP.
10. To establish and maintain Research Laboratories in assisting in the combatting of the "Killer Disease"—MUSCULAR DYSTROPHY, which activity has been adopted as the National Objective of Cedarism.

### CHAPLAIN CON'T

Just then Sam broke from the crowd and ran in, he came back out the front door dragging Joe, unconscious. Sam's fur was burned and Joe had burnt feet and his side. They didn't have any smoke disorders because they were close to the floor. They both recovered and still are great companions.

The puppy Joe saved was quick to risk his life to save Joe. God does work in mysterious ways.

Cedarly,  
*Harry*
