- [From the Board](#)

New Trestleboard Format and Web Page

The Northville Temple Board has made the improvement of communications a priority this year.

Working toward this goal, the board has come up with a three-tier information distribution plan.

First, in order that our brothers and sisters can have online access to Lodge information, we have rolled out the

[TrestleWeb](#) site. This web site will have the latest information on all orders, and copies of the calendars and Trestleboards.

Second, a monthly calendar in postcard format is now being emailed to all members on the mailing list. This provides a quick summary of events for each order in the Lodge.

Finally, the Trestleboards,

such as this one, will be sent out on a quarterly basis. The Trestleboard will have more in-depth coverage of Lodge events and can serve as a forum for those to share recaps and photos of recent events, Masonic musings, and other tidbits to be shared with our fellow brothers and sisters.

Please encourage your order to make use of these new resources!

The 2006 Outdoor Master Mason Degree

In August of 2006, Northville Lodge put on an outdoor degree at Kensington Park with brother Masons of the 3rd Massachusetts Regiment, who put on a Colonial re-enactment after the degree. Brother Brenton Kemmer II was raised to the sublime degree of a Mason Master. Thanks to Tim Dickinson for organizing this event!

From The Temple Board

On behalf of the Temple Board, I welcome you to provide your feedback on this Trestleboard format, the monthly Calendars, and the new [TrestleWeb](#) online site.

We realize that our efforts only succeed if we are meeting certain goals: informing our fellow members of Lodge events in a due and timely

manner.

Any feedback and relevant facts that make our newsletter, calendar and web site more informative is most appreciated!

Please direct your ideas, suggestions, articles, photos, officer information and other feedback to...
