

APRIL 2005

Brethren;

The Grand Lodge is spending thousands of dollars to revive our fraternity. What can we do as individual members to assist this program? Nothing more than what we should be doing from the day we entered our lodge through the inner door. That is to act as a mason should. That my brothers is the only thing that shows the general public what we are about. When we have the square and compass about us we should be law abiding citizens and subdue our passions when confronted with negative behavior and not react to it. Remember that when driving to obey the law and not be aggressive giving the finger to the other drivers. Remember that when we pass them the square and compass -on the back of your car is the view that they see. Would they be interested in joining our fraternity with that kind of behavior on our part?

Fraternally,  
Milton Moroz, *Worshipful Master*

Brethren, the primary purposes of Freemasonry is to enlighten the mind, arouse the conscience, stimulate the noble and generous impulses of the heart, to promote the best type of manhood based on the practice of Brotherly Love and the Golden Rule. Remember that you are a Freemason.
