

May 2002

My Brother,

Again as the weather turns warmer yet, many of our thoughts turn to family outings and the good times of summer. I ask that you remember your lodge at these times. We have many functions that can involve our families also. Please come out and bring them with you. Masonry is a family that you and your loved ones are all part of. Take part with your loved ones and make them a larger part of your Masonic family. Please come out to support your officers at our meetings, your officers are working hard for you and to benefit your lodge. If you don't know who your officers are it has been far to long since you have been out. Your officers are working for you and your lodge but they need you, your support and ideas to make the lodge prosper. If you have an idea to better the lodge come out and let us know. If you have an interesting experience that you would like to share with your lodge then contact the wardens or myself and we will work it into our schedule so you may present it to the lodge. If you know of a day trip or function that the lodge may enjoy joining you in please let us know of it. This is your lodge and we are here to serve you along with guiding you in your Masonic life, if we can be of service to you in anyway contact any one of your officers and we will take whatever action we can to help you. We cannot help you if we do not know your problem and, as we all know any secrets are as secure in our breasts as our own secrets. Please feel free to talk with any officer you are comfortable with and we will always be there to help in any way we can. Your Masonic family cares for it's brothers as our own family, your lodge is going forward, please come out and help to make it all it can be for you, your family and your community.

~

Fraternally,

**James L. Sheats**
