

November 2001

Dear Brother:

Through my year I have heard the comments for and against change. Even if there are changes made, the individual(s) responsible have often commented against the same. This is human nature.

Freemasonry is winning and will continue to win as long as we don't try and change its address! Its address is one we all know for it lies in "the hearts and consciences" of every Mason.

Remember should a person ask what is a mason or better yet asks about becoming a mason, take the opportunity to speak up and you will not only improve yourself but Masonry itself!

Fraternally,
Bruce Ferguson
Worshipful Master
