

THE D. WALTER JESSEN, SR. SCHOLARSHIP FOR A JUNIOR OR SENIOR CIVIL ENGINEERING STUDENT

The Scholarships were established by the five Scottish Rite Bodies of Louisiana in honor of D. W. Jessen, Sr., Past Grand Master of the Grand Lodge of Louisiana, Free and Accepted Masons, and Sovereign Grand Inspector General of Scottish Rite Masons in the Orient of Louisiana, at his mandatory retirement at the age of eighty (80) years.

The Scholarships, a grant of \$2,000.00 each, will be awarded annually to rising Junior or Senior students enrolled in an accredited Civil Engineering curriculum at a Louisiana college or university. Each grant will be awarded to a student who is in the upper half of his/her class, has demonstrated leadership capabilities through involvement in engineering college and campus activities, and shows potential for development into a motivated, innovative, well-rounded and successful practicing professional engineer. Financial need will be a significant determining factor. The student will submit a 300-500 word essay explaining how his/her leadership role in college will help in attaining his/her goals and objectives as a practicing engineer.
