Dear Brother Cast Member:

I will be directing the 32<sup>nd</sup> degree this fall as our beloved friend George Brattain has retired as director of the 32<sup>nd</sup> degree after many years of dedicated service to our Valley.

I know that George tried to have 2 brothers assigned for each character in the cast, one for the Fall and one the Spring. Hopefully this will work for all of us.

The schedule of practices are listed below, and I would like to have all of you at the First practice. If this does not work for you, please fill out the form and mail in the Stamped envelope. I need all the help I can get. Thanks

Fraternally,

  
Dan Noble
