*"THE VALLEY OF TERRE HAUTE"*

*JANUARY 2008*

## The Valley View

Ahhhh, 2008....the start of a New Year....a great new beginning!!!!

It's time once again for those resolutions we never seem to keep...losing weight, exercising more, giving more, reading more.... did I mention losing weight?

Anyway, resolutions come and go, but there is ONE RESOLUTION we can ALL succeed in. SIGN ONE PETITION. That's it!

If each of us would bring in one new member into the Valley of Terre Haute, our membership would double in just one year.

I challenge you to keep THIS resolution. That would make 2008 really GREAT!!

Have a wonderful year,  
Steve Lindsey, 33°  
Executive Secretary

## Brothers, Happy New Year

With the New Year comes the time to plan for things to come. Like getting the lawnmower ready for the grass that will come sooner than were ready for it. Spring convocation is just around the corner and coming fast. Get ready for the Spring Convocation now too. Look at your ritual and brush up on the degree work that will be done, plan on watching some degree work again. Just as important, take that petition from where it is setting and put it in the hand of a worthy Brother. Don't let us be the best kept secret in Indiana. We have great times together throughout the year. Share the good times. Sign a petition a bring a friend to share them with us.

See you at the Stated Meeting and Convocations

Yours

The Terre Haute Consistory

## Masonic Quotes

“It is most reverently to be wished, that the conduct of every member of the fraternity, as well as those publications that discover the principles which actuate them, may tend to convince mankind that the grand object of Masonry is to promote the happiness of the human race.” -George Washington

\*

There are parts of a ship which taken by themselves would sink. The engine would sink. The propeller would sink. But when the parts of a ship are built together, they float. So with the events of my life. Some have been tragic. Some have been happy. But when they are built together, they form a craft that floats and is going places. And I am comforted. -Ralph W. Sockman

\*

“I ask of each Mason, of each member, of each brother, that he shall remember ever that there is upon him a peculiar obligation to show himself in every respect a good citizen; for after all, the way he can best do his duty by the ancient order to which he belongs is by reflecting credit upon that order by way in which he performs his duty as a citizen of the United States.” - Theodore Rosevelt
