Brethren,

This month we will celebrate our Past Masters of the Lodge. Please come out and show your support for them. We also have another special celebration you don't want to miss. It's hard to believe that my year as Master is almost half-way over, it has been a very enriching experience to this point and I look forward to more wonderful experiences.

If you haven't been to the lodge in over a year, come see what's going on, join in the fellowship and I'll buy you dinner. New things are happening every day. We are now co-owners of the Masonic Temple in Williamsport with Lodge #106. Lodge #707 and #755 have withdrawn from the MTA. I'm looking forward to working hand in hand with Lodge #106 in preserving our historical building and making it last us for another 100 years and hopefully more.

Did you know – The first Masonic Hall in America was the "Freemasons' Lodge" built in 1755 in Philadelphia on the south side of Norris (or Lodge) Alley, which extends west from Second Street and is parallel to and north of Walnut Street. Other meeting places include Tun Tavern on the east side of what was known as King Street, between Chestnut and Walnut Streets (1730); Indian King Tavern (1735); Royal Standard Tavern, High Street near Second Street (1749).

Don't forget to make your reservations for our bus trip to the Grand Lodge on May 10<sup>th</sup>.

Fraternally,

V. Josh Fremberg  
Worshipful Master
