“Year is Flying By!!”

I can't believe the year is flying by so fast. This is another busy month but we also will have a few breaks along the way. We have our **MICHIP** program going on this month and we can use all the help we can get.

If you haven't already signed up or would like to help out come to the April regular meeting and we can fill you in on the details.

Also George M. Otis, P.M. and Lyman Robertson, J.W. will be on **JTV on April 16 at 2:30 p.m.**, to promote the **MICHIP program**, so try and catch it.

I would like to welcome our four new brothers and look forward to seeing them in Lodge on a regular basis. And finally congrats to **Jerry Williams** as **new DDI** and **Jason Manke** of Homer as **new BGP** effective after May's Grand Lodge meeting.

Last installment about the emblems of Masonry:

The Letter “G” stands for a number of things, first of all “Geometry,” which is the study of the order and beauty in mathematics and Nature, Humanity's first instructor in the arts and sciences.

That's a partial explanation, anyway. The longer a Mason thinks about the working tools of Masonry, the more and deeper meanings he comes to see in them.
