### From the Master R. Todd Rubert

#### “A Brand New Year!!”

I would like to start my year as Worshipful Master by saying that I hope everyone had a safe and Happy Holiday season. I also would like to thank all of the officers and installation members that came out for installation and made it such a success. We had a great audience and everything went very smoothly.

Being a new year and having many new faces in new places, I encourage all the new officers to try to make as many events as possible so that the other members of the lodge can feel our enthusiasm and also feel like attending on a regular basis. We have two new candidates that are ready to start their journey into Masonry and I would like to start their degrees with a strong showing of brotherly love and support. If for some reason any officer is unable to attend an event don't hesitate to give me a call so that we can make arrangements as needed.

Finally, I would like to congratulate our most recent Past Master, Chip Williams as Mason of the Year. We will be honoring Chip a little later in the year.

Have fun, be safe, and see you in lodge.
