An HP 635 Notebook PC

Essential Mobility
The 15.6-inch diagonal, value-priced notebook PC that keeps you productive and connected on the go.

Durable and sophisticated.
The HP 635 Notebook PC is a tool for success. This notebook has a sophisticated design with a smooth matte surface and an understated pewter color for a clean, professional look. Powered by AMD processors, the HP 635 Notebook PC helps you get the job done. With an energy-efficient HD2 15.6-inch diagonal LED-backlit display, integrated VGA webcam,3 and Wi-Fi,1,4 the HP 635 is your link to the world.

Get working, right out of the box
Microsoft® Office 2010 is preloaded, so you can begin using your notebook for word processing, spreadsheets, or presentation projects with software similar to the office suites you've used before.
Multimedia features included
For your personal enjoyment, the professional stereo Altec Lansing speaker brings you an extraordinary listening experience. The keyboard instant keys include multimedia controls such as play, rewind, and fast forward to simplify work with video and audio files. Experience life in high-definition with the HDMI port6 that allows you to connect directly to high-definition displays.2,4

Stay connected
With optional Wi-Fi CERTIFIED™ WLAN1,4 you can send and receive e-mails or access the Internet—at work, at home, and at your favorite hotspots. You can use the integrated webcam3 and microphone, along with your wireless connection,1 to do video conferencing with no additional hardware to buy or carry. And with HP Fast Charge,7 you can recharge your primary battery up to 90% in 90 minutes when your notebook is off.
