—PROCLAMATION—

By virtue of the power and authority in me vested by the Supreme Forest, Tall Cedars of Lebanon of the United States, I hereby call a meeting of Montgomery Forest No. 134, to be held in the Takoma Park Masonic Temple, Maple and Carroll Streets, Takoma Park, on Saturday, November 17, 1951, at 8:00 p.m. for the purpose of transacting such business as may come before the Forest.

Attest:  
Don A. Smith  
Scribe

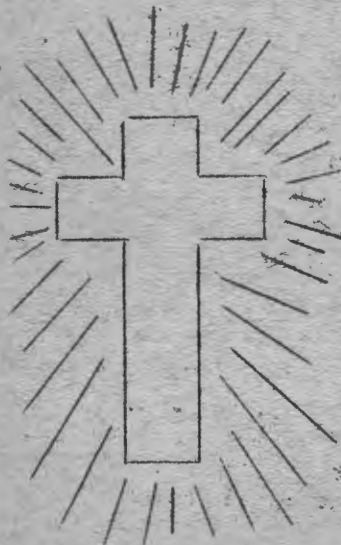

George T. Heilman  
Grand Tall Cedar

James G. Reese, P.G.T.C., No. 104  
District Representative, District No. 20

-----  
Layton Miner, the present Captain of the Color Guard, wants to send his regards, apologies and expression of trying to keep the Color Guard Going to Sgt. Ed Davidson. We all miss you and are waiting for you to return and pick up the lost threads.

RELIGIOUS SERVICES

November the 25th, the Sunday after Thanksgiving has been appropriately selected for the Religious Services of the Tall Cedars. The Services will be held at the George Washington Masonic Memorial Temple, Alexandria Virginia. Time 8:00 p.m. It is hoped that Montgomery Forest Members will make note of the date, place and location of this event and plan on making a large turnout. Let us all get together behind the activities of District #20. A good speaker will be there.

## The Grand Tall Sez:-

At our last meeting, there were 92 Brothers present, to witness our degree team in action, under the leadership of our Preceptor, John Alcorn, put on the work of the Prolog and Royal Court. It was done in the highly proficient manner Montgomery Forest has always been noted for,

The Color Guard and the Rangers were supporting color for the cast and to each and every one, I want to say, "Thanks a million, fellas, for a job well done. I am really proud of you and Montgomery Forest."

Brothers, again I ask your help to have 100 or more present at our future meetings. We almost did it in October. Let us make it a point to do it in November.

The November meeting will be the nomination and election of our Officers for the year 1952. Fellows, please come out so you may vote for the Officers that you want to serve your Forest, and after the choice has been made, and they have been installed, give them your wholehearted support. If each one of us would do this, Montgomery Forest would attain its rightful place in Cedarism and will be the kind of Forest we all will be proud of.

Montgomery Cedar Club, Inc. is really a going concern these days. If you have not been contacted to buy stock, you will be soon. You can buy to suit your pocketbook. Some Brothers have bought 50 shares, some 30, some 20, some 10, some 5, some 1, and some of us are buying a share a month. We want every "Tall Cedar" to have as much stock as he can afford, even if it is only 1 share. Remember every share has a voice in its operations.

To The Ladies—Ladies' Nite, November 24th at Bethesda Women's Club, 5500 Sonoma Road, Bethesda. FREE Hope to see you all there.

*George*

## Lots of Practice

A woman dragged her unwilling husband to a dance, and after an evening of stumbling and stepping on her feet she barked at him, "You've simply got to take dancing lessons."

"Aw," he protested, "there are a lot of other ways I can make a fool of myself."

"That's right," she agreed, "but you've tried all those."

All members of the Eastern Star, who are Cedars and their wives or the wives of Cedars are cordially invited to attend the installation of Brother J. Myron Jones' wife, Margaret into the position of Matron. Takoma Chapter, O. E. S. Takoma Lodge.

## MONTGOMERY CEDAR CLUB, INC.

Have you heard about the Montgomery Cedar Club, Inc. and its purposes? It is a working corporation under the laws of the State of Maryland. It is the investors and will be the owners of the property of the Cedars of Montgomery Forest. It will provide our Forest with a meeting place, a place to have functions, a place of our own. Who can join the Corporation. Cedars are the ones eligible and you can help by purchasing stock in the corporation. This can be done by buying stock at the present established price of \$10 per share. Some of us have purchased anywhere from 1 to 50 shares. Someone will contact you and tell you the details. However, do your share and call any of the Officers: Jos. P. Fitzgerald, President, Geo. T. Heilman, Vice-President, Ernest C. Shaffer, Secretary or Richard A. Harries, Treasurer, also any of the Board of Directors.

If you cannot afford many shares, there are established by means of which you can purchase the number of shares that you want over a period of time. By being a stockholder, you can be a member of a corporation and help your Forest—and we hope someday to be a money maker.

\*\*\*\*\*

HURRY up with your 1951 dues, we still have some unlifted cards. The Scribe has the new cards for 1952 so put that item on your budget schedule.

\*\*\*\*\*

Brother Arthue R. Hart recently underwent an operation. Art has been the business brains behind the incorporation of the Montgomery Cedar Club. Good Luck and a speedy recovery Brother Hart.

\*\*\*\*\*

COME OUT TO THE MEETING AND WEAR YOUR PYRAMID

The Date— November 17, 51  
Place—Hillandale Recreation Center,  
What—A Turkey Shoot

Layton Miner, our Master Hunter will be in charge of our annual Turkey Shoot. Don Smith, our Scribe has been working on the targets, signs have been painted and things are looking up to a good time.

It is hoped that the Cedars and all their friends come out and get the bird, I mean the TURKEY. Layton has also requests assistance in running the Shoot. One must put up targets, load guns, teach new hunters, keep the fire going in the cabin if it is a cold day, etc.

You want a turkey, you want the sport—well we have the requirements so let us all count on seeing Layton that day. Remember it is Saturday, November 17, 1951, the same day that our regular meeting night is.

#### HAVE YOU HEARD THIS ONE?

A little boy living in a rural district was hurrying to school trying to escape his usually tardy mark. Crawling through a barbed wire fence, he tore his pants. Taking a pin out of his blouse, he tried to fasten the torn edges together.

As he entered the schoolroom late, his teacher good naturedly said, "I see my little boy's behind this morning.

"You wouldn't if I had another pin," he mumbled.

\*\*\*\*\*

Remember that this meeting is NOMINATION and ELECTION night. It is your duty to select the people you want to run your organization next year.

MUSCULAR DYSTROPHY IS OUR OBJECTIVE

"DISTRICT NO. 20 NITE"

As the Echo is going to press, final arrangements are being made for District No. 20 Nite, this time sponsored by Prince Georges Forest No. 139. By the time this issue reaches your home, the event will be history---and we hope that you have contributed to what seems to be a big social event among the Cedars. The last issue of the Echo carried full details of the big time.

\* \* \* \* \*

SQUARE DANCE

Likewise, this issue of the Echo will be a little late for the big Square Dance of the season, which is scheduled for Saturday Nite, November the 10th, the day after the District 20 affair. Tickets will be in the mail for the dance, which by the way is to be held in the Silver Spring Intermediate School and is scheduled to start promptly at 8:30 p.m. We hope you all have planned to go.

Support your Forest in all of its Events.

he will make an all out effort to have something worth while and worth your time. Let us all support him by making every effort to be there.

### RETENTIVE MEMORY

Two girls, looking at the paintings in the art gallery, came before a nude which one girl recognized as a picture of her companion.

"Why, dear, I didn't know you ever posed in the nude," she remarked in amazement.

"I certainly do not," was the indignant response, "he painted it from memory."
