## IN MEMORY

P.G.T.C. Harold G. Nicholas, affectionately known to his friends as "Nick" was born on May 11, 1909 in Washington, D.C.

Brother "Nick" remained in Washington, D.C. throughout his childhood and adult life and was one of very few true Washingtonians. He attended school here and after his schooling he began his working career with the Bureau of Standards where he served for 43 years.

On July 1, 1930, Brother Nick wed his lovely wife Gladys and the two of them began the partnership of marriage which continued throughout his life.

Brother Nick became interested in the Masonic Order and was initiated as an Entered Apprentice at Anacostia Lodge on February 16, 1948. He received his Fellowcraft Degree on March 15, 1948 and was Raised to the Sublime Degree of Master Mason on April 14, 1948.

After Nick moved to Silver Spring, Maryland, he transferred his membership affiliation to Kensington Lodge #198 and soon thereafter became interested in the Tall Cedars of Lebanon. On February 21, 1953, Brother Nick was initiated into Montgomery Forest #134 and began his career as a Tall Cedar.

From the very first, Brother Nick showed his enthusiasm as a Mason and as a Tall Cedar by joining the Color Guard where he served as an active member until he was called to the Eternal Forest on January 7, 1972.

In the nineteen years that Brother Nick was with Montgomery Forest, he served his Forest with zeal and honor. He was elected to the office of Trustee in 1963 and served in this capacity until 1968. During this period, his interest in Cedarism grew and soon he aspired to become Grand Tall Cedar and in 1969 he ran for the office of Junior Deputy Grand Tall Cedar and was elected to serve in this capacity.

Receiving the approval of his Brother Cedars to climb the ladder of Forest Leadership, Brother Nick gave his all to the Forest. He served as Chief Steward, as Chairman of the Sick Committee and as Publicity and Entertainment Chairman as well as JDGTC in 1969. His record speaks for itself. In December 1969, he was elected to the office of Senior Deputy Grand Tall Cedar for the year 1970. His service to the Forest in this capacity was earmarked by the success of the Forest during the course of the year.

In December 1970, Brother Nicholas was to realize his goal and was elected to the office of Grand Tall Cedar of Montgomery Forest #134 for 1971. His sincerity and dedication to the Tall Cedars and their goals became more prevalent this year than ever before. His guidance, leadership, and interest in the Forest and its members was ever present and the success of his year was apparent.

Striving to endear Montgomery Forest in the minds and hearts

on July 5, 1971 to prepare for the annual 4th of July parade in Takoma Park, Maryland. On this date the Supreme Architect of the Universe gave Brother Nicholas his first Call and on January 7, 1972 his will was fulfilled and our Brother entered the Eternal Forest.

Each of us lost a true and dedicated friend and the Tall Cedars of Lebanon lost an inspiration that can never be replaced. A man with such dedication comes along once in a decade and those that are fortunate enough to be affiliated with this individual have truly gained from this association.

To our departed Brother we say farewell, though he is no longer here in body, his memory will remain with each of us until we meet again in that Eternal Forest in the sky.

**Cedars:**

Fraternity, a word defined by Webster as a "Male Society". What is the Masonic Order? It is a fraternity of men bound together in a common cause.

You ask, "what is that cause?" To each Mason, the Masonic Order has its own special meaning and could be defined in many ways. Basically, it is a fraternal order of brotherhood, an order of men who believe in this brotherhood and lay no barriers as to position or status.

From the day a man becomes a Master Mason, he must make the decision as to just what he expects from the Order. If he chooses, he can become a very active part of this great fraternity and achieve untold personal satisfaction or he can become a passive Mason, one who loses interest because he fails to participate in the benefits offered. There are many excuses given as to why he does not take an active part, but the real truth is that he failed to realize the meaning of this Great Fraternal Organization. He has failed himself as well as the Masonic Order.

Today, there are various Orders of the Masonic Fraternity, to which an individual may choose to belong to fulfill his expectation of Masonry. Ours is the Tall Cedars of Lebanon. We have chosen this Order for the Fun, Frolic and Fellowship offered to its members. A noble reason for joining and organization, but not a foundation that will maintain its stability or growth.

Yes, we must have a goal to achieve our greatness and entice new membership. Muscular Dystrophy Research became the Tall Cedars National Charitable Objective and has caused the Tall Cedars to band together on a common worthwhile cause to benefit mankind. With such a goal, our organization has grown because people still care about their fellowman.

With this thought in mind, let us not forget that we are, first and foremost, Masons and second, Tall Cedars with a purpose. Let us strive to work together to let the world know that we exist and that we are very proud of our work, our achievements, and our existence.

Let everyone know that although we enjoy each other's fellowship, we still maintain a purpose in life beneficial to everyone.

For those Tall Cedars that have lost sight of this meaning,

FROM THE SENIOR DEPUTY

Brother Cedars:

On January 18, 1972, the Officers and Past Officers Association of District 20 was instituted. The meeting was held at the Prince Georges Motor Hotel on Branch Avenue just across the line from S. E. Washington. There were 70 or more members who had paid their initiation fee of \$2.00 and dues of \$2.00 for one year. These will constitute the "charter" members.

S. D. G. T. C.

The stated purpose of the Association is to assist upon request any Forest in District 20 who may need help of any kind at any time. The request must come from the Forest needing the help.

The February meeting of the Forest will be Master Mason Night. There is plenty of time to get petitions acted upon before the April Ceremonial at the George Washington National Masonic Memorial in Alexandria, Virginia and this should make it more attractive for any prospects you can get to the meeting.

The next Executive Meeting will be on February 9th. There are several important items that will have to be discussed and decided on at this meeting. A good attendance is imperative.

Don't forget the February 26th Sweetheart Dance. This will need your support if we are to make it a success.

Cedarly, *Winston*

-----  
(Continued from preceding page)

I say to you, why not take another look at what you have lost. Without you, Cedarism has lost a part of it's true meaning, just as you have lost a very important part of your life - Fellowship With A Purpose.

Stand tall, Tall Cedars, and announce to the world that you will be heard.

Cedarly, *Lloyd*

**REMEMBER, Master Mason Night on February 19th. Bring a Brother Master Mason with you or 2 or 3 or even a group of them.**

J. D. G. T. C.

FROM THE JUNIOR DEPUTY

Dear Cedars:

Well, now a month of this year has passed and we unfortunately lost "Nick", who was a great man, Mason and a Tall Cedar. Montgomery Forest will miss him and I will remember that he was the man who furnished my petition - signed it and initiated me. "Nick" invited me to his installation and I gave him my petition during the party following. So to "Nick", who has joined the Forest in the sky, I can only say, "Thanks and God keep you."

We can only pay respect and homage to ourselves by being of service to others, as we are taught in our Blue Lodges and now we, as Tall Cedars, can be of help in our Handicapped Childrens' Party, which will take place March 18th. You can be of service by assisting the Forest. Your Grand Tall will direct you.

The Cedar Tree Dedication will be one of the largest affairs ever to come into the area and you can be of assistance. Every Mason who becomes a Tall Cedar at the Ceremonial in Alexandria, Virginia will be given a special certificate that he was made a Tall Cedar at this Ceremony. Be sure you make your reservation for the Luncheon, Dinner, Program and Commemorative coin.

But most of all, support your Blue Lodge and your Forest --- Come out and see what is going on.

Cedarly,

-----  
CONVENTION

Convention time is around the corner and it will soon be time to send in checks for your rooms. The price will be \$19.00 per night plus 5% tax for two people. If you have more than two people in a room you can pay the Motel direct for the difference.

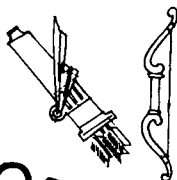

To have the same room you had last year, I will need a one nite check by April 1, 1972. If your check is not in by that date, your room will be available for someone else. The balance of the money for your stay will be due by May 1, 1972. Please send me the money to my home address (in the Echo) or give it to me at the meeting. Montgomery Forest will again have the Galaxie Motel this year. If and when all the rooms available there are taken, the overflow will be housed in the Diplomat across the street from the Galaxie. Send in your money as soon as possible. Make checks payable to Montgomery Forest #134, T.C.L.

Don Bartel, Convention Chairman

-----  
The candidate was said to have a constipated mind and a diarrhetic mouth.

-----  
Did you count the number of Past Officers of Montgomery Forest who attended the last meeting? If you had, the number would have been 22, or two-thirds of the living Past Officers.

## CHIPS FROM THE CHAPLAIN

Friendship is a hard thing to define. Our associations of to-day are formed in the several activities of our daily lives. We sometimes become aware of a person as a "Mr. Somebody", then learn his name, usual activities, work and family; then we gain an impression of his usual reactions and personality. By then, we have a composite picture of him that fills the doorway of our mind. Our mental reception of him is by now friendly as we review our impressions.

First impressions are sometimes tricky. "Mr. Somebody" might challenge our ideas, and we become puzzled. Then he surprises us by supporting our ideas on another matter. We later work together on a mutual project and find his energy and knowledge makes our work more effective. If we get stuck on something, we ask his help and get it. We've learned that his challenges are worth much more than a "Gosh, I don't know, wish I could help you". By now we've got "Mr. Somebody" rated a real friend and enjoy his associations.

The, someday he answers to a Greater Need. The memories come back and we find that his friendship has truly enriched our life.

"Nick" was such a friend.

"We than Thee for the life of our Brother  
and our associations with him.  
And for Thine assurances of a life beyond this,  
Where we shall meet again."

## MEMBERSHIP MEMOS

Looks like we've got the New Year 1972 kicked off in right good order. A gain of 5 members over last year, and plenty of activity planned to attract more candidates this year.

GTC Cooke has announced a goal of 20 candidates for the Cedar Tree Dedication on April 15th. Now, that's some goal to meet, but if you want to give your Masonic friend a reception into Cedarism he'll never forget, now's the time to talk with him. Your friend's petition should be ballotted upon either at the February or March meeting.

And a hearty welcome to a new column, "Clown Alley" as started in the January issue of the Echo by Bo-Bo Cliff. Keep up the good work, Bo-Bo.

### MEMBERSHIP

Many new members don't know many things about Montgomery Forest or about about the Tall Cedars and Cedarism, so here are a few bits of information for you.

You, as a member of Montgomery Forest, are eligible to join any Unit of the Forest by merely asking. The Color guard is limited because of uniforms and the function they do but you can be placed on their waiting list but the Drum & Bugle Corps needs more men. If you can play a musical instrument, you are more than welcome and if you can't, you will be taught. See "Al" Flesher the Captain of the Unit for details and information.

The Clowns could use more men so see "Cliff" Duhrmaster, the Chief Clown. The Degree Teams are under the Precceptor, "Al" Fleisher and they need men. We are anxious to have a Ranger Unit so contact the Grand Tall. The Uniformed Bodies meetings are open to any member of the Forest and the dues are only \$1.00 per year and they meet at the Cedar Building on the third Thursdays of each month at 8:00 p.m. Come and join in with us.

NOTES FROM THE SCRIBE\*\*\*\*\*ERNIE BRAWN

Montgomery Forest #134 has lost a great Brother and devoted Member, and many of us have lost a good friend. We all mourn the death of our PGTC Harold G. Nicholas.

SCRIBE

It was an honor having SDSTC Stewart "Bud" Masenheimer with us for our January 15, 1972 meeting, This was the first time he has visited his Home Forest for a meeting since being elected to the Office of SDSTC. We welcome you, "Bud", anytime.

Montgomery Forest #134 is honored to have a 33rd Degree Mason as one of its members. Ernest G. Mallette received his 33rd Degree from Ancient and Accepted Scottish Rite of Free Masonry in October 1971. Congratulations!

Try to get out for the February Meeting. It will be Master Mason's Night and also Green Pyramid night. See you then.

Cedarly, *Ernie G.*

-----  
FROM CLOWN ALLEY

Just want to remind you our big party for the retarded children comes up on Saturday, March 18, 1972, from 12:00 noon to 3:00 p.m. About 400 children are expected to attend. It will be held at the same place as last year, the Nicholas Orem Junior High School across from the Prince Georges Plaza. So now CLOWNS, it is up to you to help make this the best turn out Montgomery Forest has ever had.

Just an observation; do you know we have 22 Brothers signed up as Clowns, most of them having performed before in some way or another, some are new comers, and I must say I am highly pleased with the prospects of our unit. Montgomery Forest can do itself proud. So come on out, let's see if we can have everyone out to the party.

Our next Clown business meeting will be February 9th in the Cedar Club building immediately after the Executive Committee meeting which is scheduled for 8:00 p.m. We have a lot of plans to make and discuss so please come on out.

Cedarly,

"Bo-Bo", the Clown

-----  
SICK

"Ernie" still reporting and guess what! The only sick Member I have to report is our new Sick Committee Chairman, Robert "Bob" Davis. He has been home and in bed with the Virus. He is recovering and will be reporting in the March Echo.

"If you want to get a kick out of life,  
you must first kick in something."

### TRADING STAMPS

Many things can be secured through the saving of trading stamps. Montgomery Cedar Club, Inc. is trying to outfit their building particularly for the benefit of Montgomery Forest #134. Therefore, if you have any books of trading stamps regardless of the kind, especially if you have a few left over from your Christmas premiums, send them to "Dick" or Mildred Whiting, at 10004 Greenock Rd., Silver Spring, Maryland 20901 or call him and he will make arrangements to have them picked up. Tel. 593 9132.

### UNIFORMED BODIES

With Spring time around the corner, it soon will be drill time again for all Units. The Color Guard will start drilling in march and later be joined by the Drum and Bugle Corps. The Clowns are working on ideas for the Convention in Atlantic City. Let's hope that all of the Units will be in **FIRST** Place this year.

I am waiting for someone to take charge of the Steak Fry to be held in October. I know there is one man that with the help of his Unit can make this a great success.

Time to send in your check for the Bahamas Trip that is on the books for August 24-28, 1972. Talk to your Cedar friends and let's make this a good time for all that go on the trip. If you don't go, I know you will miss a wonderful time. Any questions on the trip, just call me and I will try and answer them for you.

### "HOPE"

In giving all my pennies every Nite  
Will help the M-D research lab. be Bright

In October you will turn them In  
To the M-D Chairman with a big Grin

You will be greatly surprised to know  
How big this project will Grow and Grow  
To beat the HELL out of those M-D Germs  
And a place in HEAVEN, you may earn

And a great big hopeful, thankful Smile  
Of the VICTORY from every M-D Child

That the M-D killer bug must, and will GO

When a person donates to the Booster list, he will automatically volunteer to get a one (1) pint milk or cream carton and keep it handy so he can put in it each night all the pennies from his change. In October he turns it in to the M-D Chairman with his name and Forest Number.

Stick with this 100% and we will make the largest donation EVER.

Jack Krams, Charter Member

### TREE DEDICATION

Remember to purchase your Decal for the Dedication. Only \$1.00 from each Cedar can assure the success of the operation plus give a beautiful Decal for your home or car. Be sure and do your part, you may purchase these Decals from any of the Officers of the Forest.

## BY-LAWS CHANGES

At the January meeting of Montgomery Forest, the following change in the By-Laws were adopted:

### Article X Fees and Dues

#### Section E

Suspensions -- any member, other than a Life Member, who fails to pay his dues by December 31st of the year due, shall be automatically suspended unless such dues are remitted by the Forest.

Pending the approval of the Supreme Forest, this means that you can not be carried over for a second year before you will be suspended for non-payment of dues. This change in the By-Laws were necessary because the per capita tax to the Supreme Forest has increased as well as the National Charitable Objective assessment. If the Forest carries a member over the end of the year, the Forest is liable for this additional amount, which can become noteworthy if there are many non-paying members who must be dropped. The answer is - PAY YOUR DUES PROMPTLY - at the beginning of the year, then come out and enjoy all the activities. Another thing, The Cedar Benefit Fund clearly states that you must be in good standing in your Forest to be eligible and that is spelled out as ONE year.
