RE: Third Degree – Raising of a New Master Mason – October 10, 2009

The Worshipful Master, Brother Grover Dees and members of Orphans Lodge No. 761, headquartered at The Masonic Home for Children, in Oxford, NC are proud to announce a special event involving our Masons and alumni of our Masonic Home for Children. As part of our stated communication, scheduled for Saturday October 10, 2009, at 10:00 am, the members of Orphans Lodge, as well as members of Garner Lodge No. 701 and other Master Masons who are alumni of Oxford Orphanage, will be raising the son of Orphanage alumnus and brother Randy Williams of Garner Lodge, to the sublime degree of Master Mason.

As Brother Williams is a child of Oxford, he asked that his son be raised as a Master Mason at his Home in Oxford. The Master and members of Orphans Lodge are honored and humbled by this request. This event is part of a special Homecoming Weekend at MHCO and all Master Masons are invited to attend this degree, as well as lunch with the alumni and children following the stated. If you have any questions, please contact MHCO at 919-693-5111 or via email at www.mhc-oxford.org. We hope to see you there!
