Happy Memorial Day!

The year is nearly half over! We started out a bit rough with all of the snow and ice storms. Three of our stated meetings were actually cancelled due to the weather. However, we have already had a three new Entered Apprentice and one new Fellow Craft Degree presented. The members and officers presenting the degree material have been practicing, and the degree presentations look great!

In May we have had a very nice Widows and Special Ladies night. A delicious dinner was prepared by Carrol Laird and the kitchen staff. Each lady was presented with a beautiful rose. For the ladies who were unable to attend this year, please make sure that you take advantage of a nice night out next year.

In June we had the friends and family of the Shawnee Lodge masons. We had a nice dinner and a meeting with information about what it means to be a mason. An active question and answer session was also given. Hopefully, we have inspired some new candidates to petition to become masons at Shawnee Lodge.

Here are some items that I would like to bring your attention to:

- On Sunday, August 17, 2014 from 12-4 pm, we will be hosting a Red Cross Blood Drive at Shawnee Lodge. Please volunteer to blood, money to time to this honorable charity.
- On Tuesday, August 19, 2014, we will take up any donation that you would like to give to the Home of the Innocent's for their Back to School Drive. The Home of the Innocent's take care of some of the most endangered young people who no longer have proper families who can take care of them. These are truly destitute children. Any donation of school supplies (pencils, paper, crayons, etc.) or clothing/shoes will be a real blessing to them.

We want you to begin preparing to our upcoming Shawnee Lodge Family Picnic. We plan to hold the picnic on Saturday, September 6, 2014. We are still in the planning process, so please check back with us for the location and time. We would like to make this a pot luck cookout, so you can bring your favorite picnic food that

you are famous for! We will announce all of the details at our lodge meetings and we will post the details on our website, once everything is finalized.

Have a great summer!

## BROTHERS SHAWNEE LIGHT

This spring has been a dandy cold colder to cool and cold. Our practices have been great. We need more people to attend. We have decided to have practice only if we need practice for upcoming degree. This is working out well. There are several Brothers that are proficient in the work. It looks like a great year let's keep up the good work.

-Kitchen "Miracle" Cleaner! You put about 1/4 cup of baking soda in a small glass bowl and squirt in hydrogen peroxide until it makes a nice paste. Then you rub it on the offending dirt/stain/grease...whatever! ..
