

# Shekinah Lodge No. 58

Free and Accepted Masons

Millville, New Jersey

Instituted - May 21, 1861

Brethren :

“Free Masonry Is A PROGRESSIVE SCIENCE.” Such is the declaration which is made to each of us in the Master Mason Degree. However, to progress we must first have activity, or in our case attendance.

Only through attendance can we learn or Progress in Masonry. There are many things which we can read about Masonry and learn of its Historical being and accounts, but there is no substitute for regular attendance at our meetings to understand and appreciate what it is all about.

Through our ritualistic work, we have placed a light within every Master Mason. Sometimes this light may flicker in some of us but we must not let it die.

Each of us were “CHARGED” in the various degrees that our regular attendance was expected. Let us live up to our responsibilities, and by example and precept, teach the PROGRESSIVE SCIENCE OF MASONRY.

My brethren, I am extremely proud to be called Worshipful Master of Shekinah Lodge and I will do my utmost to Wield the gavel of our lodge to the best of my ability. However, I will need the help of all of our Past Masters and brethren of this great lodge.

May I have the honor of greeting all of you in the coming Masonic year.

WILLIAM H. STILES

*Worshipful Master*
