

SHEKINAH LODGE No. 58

Free and Accepted Masons

Millville, New Jersey

Instituted - May 21, 1861

Let there
be Light

Brethren :

Those lazy, hazy days of summer have been upon us and I trust that each of us has gotten some rest and relaxation, and are ready to resume our labors in our great work — The building of the spiritual house of the Lord.

An operative mason normally assembles and erects the blocks which compose a building; however, as a speculative mason, have you ever considered yourself as a building block? Our lodge can be considered as a Temple, and each of us a block. If each of us is a perfect ashlar, then our Lodge will be a magnificent Temple. It is not necessary to actually see this Temple, although even the profane can see our physical building. Those lessons we have learned through the ritual are apparent to the uninitiated as something they admire in Masons.

It would be nice if each of us could be an example that might lead another into becoming a building block in the Temple of the Supreme Architect of the Universe.

Fraternally,

RUSSELL A. ROBERTS

Worshipful Master
