April 1986

Dear Brethren;

"What first induced you to become a Master Mason?"

Take a few minutes and reflect upon this frequently asked question Brethren.

What did persuade us to become Master Masons; was it idle curiosity, was it to satisfy a passing fancy, to enable us to gain knowledge of some mysterious organization; to be able to say "yes, I'm a Mason?"

Brethren, none of these answers are correct; If a man had these reasons only, he probably only has been in lodge enough to receive the degrees and never bothered to really labor to receive Masters wages.

Masonic wages are paid if any be due, they cannot be due if they are not earned. It is very easy to earn Masonic wages brethren, sometimes it's a friendly smile or a handshake or a call to a lonely brother that will earn us a Masonic paycheck. It could be frequent visits to lodge to encourage newly made Masons to seek more light, that will earn Masonic wages for us. It could be serving on a committee or helping out as an instructor, or learning a lecture.

The list is endless Brethren, if you want to start earning your Masonic wages, start by spreading the cement of brotherly love and affection that unites us as masons.

Brethren, if you are not satisfied with your Masonic wages, give me a call or drop a line to me and we will review your salary, you may get a raise, and you will know the answer to the question, "What first induced you to become a Master Mason?"

Fraternally,

MARVIN WHITE, Worshipful Master
