February 1988

Brethren:

As a result of meetings to consider the problems, we are facing in the Lodge, concerning the decline of attendance at our meetings, and also the decline of our membership rolls. A decision has been formulated to alleviate both of these problems.

There will be an attempt by the State of the Craft Committee to contact present members of the Lodge, and hopefully to renew your acquaintance with the Lodge, and to solicit your return and participation in the Organization.

Secondly, we are going to attempt to entice new members into our Organization through a presentation of our ideals, principles and beliefs.

If you have a friend, a neighbor, or relative who you feel would make a worthy addition to our Organization, please write-down the name and address of any such person, and give it to me or any member of the State of the Craft Committee. These names will enable us to formulate an invitation list which will allow us to determine what type of affair and program can be presented to reflect Masonry's best light.

Our Organization is worth saving Brethren: The youth and vigor of new membership will allow our Lodge to continue. Think carefully, select wisely, and by all means give us your help.

Fraternally,  
GARY R. LAWSON
