

My Brother:

As a new year is upon us it is to be hoped that our Supreme Architect looks on you and our lodge with favor and grants us the wisdom, before making our decisions to wisely judge and prudently determine our direction, that our lives and paths will never stray from his divine will.

In this new year, it is my fervent hope that in lodge, we can offer you something at each communication that will attract your attention and bring you back to regular attendance. Our fraternity is only as strong as our membership makes it. We received a trust and charge from our fathers and they from theirs to support and nurture what they have passed down to us, so when our labors here on earth are finished and we are called home, we will be able to say "we passed to our sons a strong, continuing chain of fraternal care and love". By this we can insure what has lasted all these centuries will continue to prosper and grow and will never fade away.

I take this opportunity to thank you for allowing me the honor of serving our lodge as master. I take great pride in our lodge and fraternity and will give you my very best.

I also wish to express my appreciation to my installing officers, it was a lot that I asked of them, it required considerable time and effort on their part and they came through in an outstanding manner as I knew they would. Thank you W.B. Carty for all the extra time and labor that our open installation caused, I will always be in your debt. You had a fine year as master and can look back with pride in all your accomplishments. Our first communication for the new year is appropriately enough on the first day of the new year. I look forward to greeting you from the East.

Fraternally,

LEONARD R. POTTER, JR.
