

My Brother:

If you were not present for our Awards Night, you should have been. We had a delicious supper followed by the pleasure of seeing three of our brothers awarded 25 year membership pins plus two members who were present and received their 60 year wreaths, followed by three members awarded one, two and four gallon blood donor pins. The highlight of the evening was a speech by M.W. Thomas Daugherty on the hospital visitation program. The bottom line of his speech was there are men and women in our veterans hospital that need our masonic help, aid and assistance. His request was for any of us that are able to devote a little of our time to help make life more meaningful to these fellow human beings. If you wish further information on the hospital visitation program, please contact me.

We will be going to Burlington, N. J. on the 26th of June, please come with us. If you have never seen your masonic home this is an outstanding chance for you to help raise one of your brothers plus seeing why everyone is so proud of the New Jersey masonic home. We will be there long enough for you to tour the facilities and have supper before returning to Millville. Finally this will be our last trestleboard before September. I wish each of you a pleasant and rewarding summer, but charge you to remember in your everyday life that your masonry goes on whether there is a meeting or not. Do not neglect your labors in the quarries of speculative masonry, but continue to study and grow.

Fraternally yours,

LEONARD POTTER  
Worshipful Master
