

April 2004

My Brother,

As I write this month's trestleboard, I would like to remind you that Sunday April 4th is Daylight Savings Time....DON'T FORGET TO SET YOUR CLOCKS AHEAD.

Daylight Savings Time is a sure sign that spring is on the way. As such, that gives us extra hours of daylight and more time to do outside projects. Some of these projects we enjoy and look forward to, such as picnics, playing with the kids, the beach or just relaxing in the beautiful weather. Others we may dread and not look forward to, such as yard work, painting the house or other activity that takes us away from the fun stuff.

It also means that we have extra hours in the days to show off our fraternity. Whether we are doing the activities we love or the ones less desirable, let freemasonry shine through for the whole world to see. Wow! How dramatic was that line. It doesn't have to be that dramatic. It can be a very normal occurrence for all of us. Just be yourself and let the people around you in the neighborhood, across town or on a distant vacation see the goodness of our fraternity. Take the time to be the quite spokesman of freemasonry, let the beauty and glory of it shine through you as you go about your daily adventures.

Enjoy the upcoming weather and use your hours wisely.

Quote of the month: *"Neither can the wave that has passed by be recalled, nor the hour which has passed return again."*

– Ovid

Fraternally,
Belford J. Riggins
