Tuesday November 13 is Brother Bring A Friend Night! We're looking forward to having as many people visiting our lodge as possible! Please plan on attending and Bring A Friend!

We look forward to seeing you there, and if possible, Bring A Friend!

W.: Clark Johnstone

Our goal is to show our pride in Masonry to potential future Brothers. If we continue to show the many positive attributes of the Brotherhood, we are certain to have many new, active Masons for years to come.

We are providing a program that will surely spark interest in Masonry and entertain and inform current potential future Brothers. There will be a short DVD program, a few short talks by current brothers, and fellowship afterward with refreshments provided. An area of Masonic historical items and other artifacts will be on display that will provide a source of conversation and dialogue. This uplifting program will inform your friends and remind us of some of the reasons why we are Masons.

There will be a short meeting prior to our program during which we need to take care of some Lodge business (ballot), and our program will follow immediately afterward!
