## From the Master Mark Galloway

*...and now  
a word  
from your Master*

### GREETINGS FROM THE EAST.

As I was contemplating my message this month, the phone rang and it was my friend Paul. Paul is a preacher and a very good man. His wife is only in her 40's and was traveling along Hurstborne Lane where she had a heart attack and eventually died.

This reminded me that life is so short brothers. (God calls you home on his schedule not ours). If you haven't been to lodge in awhile and put it off for whatever reason, you just may not get the chance to come back later. A week turns into a month, then a year and they just roll by. Heck, my year is already more than 1/2 over. Maybe the next time we will see you is when putting on a Masonic service for "another Brother we didn't know". I have been places before and a man will introduce himself as a Mason and I will say, Oh what lodge do you belong to and the reply is "Suburban." I have never seen this man before.

Brothers there are a lot of reasons for not attending lodge but if one of them is - I haven't been there in a very long time and have forgotten the signs and ceremonies, don't let this stop you. Just show up on any Thursday evening at 6:30 and tell me your name and you will be made welcome and we will help you with what you have forgotten. You will find we are a warm and friendly lodge. We welcome you back brothers. Let the newer members get to know you before time slips away.

We had a good District meeting this year. Again we combined 3 districts and it was held at the Scottish Rite Temple. It started at 9AM and was over before 11:30AM. We had each DDGM give a very interesting talk, the Homes gave away 3 prizes just for showing up, the grand prize being a GPS. Our

Most Worshipful Brother Herman Forester was interesting as always. Suburban, I'm proud to say, got the attendance award again this year.

By the time you read this, our next family night will be over. I hope you made it. It promises to be a great night with entertainment by The Harmonics of Louisville. A harmonica group. I am trying to vary the entertainment this year so no one gets bored with the same old thing. When you have such a wide range of ages such as we do in our membership, it's not easy to satisfy everyone, but I try.

Our next big event will be our annual Suburban picnic. This will be held on Sept. 20th at our lodge, in the refreshment room. Last year our Jr. Past, Wayne Carby had a wonderful picnic planned but through no fault of his own, the city decided to close the street in front of the lodge on the weekend he had scheduled the picnic. They are doing that again this year but by Sept. 20th all should be quit with no marathons being held on 3rd street. I am planning a great meal so come on out bring the kids the grandkids, your appetite and just relax and have fun and fellowship. It will be on a Sunday after church at 2PM. There is additional parking in the church lot across the street. The entrance to the church lot is on Southern Parkway.

Brothers, as it should be, whenever the lodge room doors are open, the master should be there, and I think I have done that. But also I believe it is important for our lodge to let the rest of the state know about Suburban. We are one of the biggest lodges in the state and the most active, why shouldn't every other mason know that. So when not at our lodge I have been to other Masonic events telling everyone that will listen what a great lodge we have. Our name has gotten in the Masonic Home Journal this year and I hope the membership is happy with this. I just returned from a trip to the Philippians where I attended a meeting and met the Grand Master of

Masons for the Philippians. At our district meeting, as Master of Suburban, I presented our Grand Master a pin from the Grand Master of the Philippians. It's little things like this that promote Suburban Lodge but more importantly, Masonry.

I hope you are all having a pleasant and safe summer. See you at lodge.

Mark Galloway, Master  
Suburban 740

### Have You Met?

#### David Short

By Bill Harvey, P.M.

David Franklin Short is our latest 'Have you met' Mason here at Suburban Lodge. Dave is a fairly new brother as he joined us here in 2007. Brother Dave was born in Portsmouth, Ohio on September 10, 1960. He basically grew up in South Shore, Kentucky and worked as a 'gofur' at a mobile truck cleaning service from the age of 7 till he went to Eastern University at 19 years of age. When he left Eastern he journeyed to Louisville, KY and has been there ever since. Dave went to work for Deans Foods in May 1980 and still works there.

About 30 years ago, Dave met and married Kimberly Pitt and they have a son and a daughter. They currently have no grand children.

When Dave was growing up in South Shore, he observed several Masons who were about the community doing what Masons should always be doing: helping others. The schools there were so poor that they could not afford many of the extras we now take for granted. So the brother Masons saw to it that the kids in their schools did get what was needed to help all the children to be able to play ball and to participate in the many sports that schools normally have. His observations of Masonry helped him to make up his mind to someday become a Mason, so he could return some of the acts of kindness that were bestowed upon him as a poor school boy. Of course, his joining Suburban has helped us out tremendously.

Bro. Short is into camping and fishing. He also works for Jefferson Special Police as a

security guard at the U of L games. He has started in line as our Junior Steward. He has helped lecture several of our newest members and I feel sure that he will be a great asset to Suburban Lodge as he progresses to the East.

I asked Bro. Dave what he would like to say to his Brothers and he replied that he has learned to love his Lodge and all the members who attend regularly. He said that so many of our members have such a good heart and are willing to reach out and help others when they need help. Now in my book that just about sums up what Masonry is all about. Thanks Dave for choosing Suburban Lodge as your Lodge and for all the help you give us upstairs and for your work in our Fish Stand. We need more like you!!

### THE BATTER BOY...

...is just one of the many fun jobs at the Fish Fry on Friday Mornings. Just ask Brother Carl Cox, (picture here), Carl loves his job and the attention that it brings. It's one of the jobs that are in high demand. Carl would give it up for nothing. It's a job that requires training and at least 40 years experience as a Rail Road conductor with a degree in engineering, (that's not driving the train) that's Chemical Engineering, Carl has been to the find Yale Collage of Batter Making where he attain a degree in BM, that's not Business Management, but Batter Mixings; what else would you get there? Anyway, you have to know the correct amount of flour, eggs, and cream plus the right mixture of water, then there the mixing time, the stirring of the batter; this has to be done with TLC, in which Carl put lots of in ever batch. So come out, enjoy the fun times on Friday mornings, and lets not forget the Saturday crew, with out them Friday's would not exist.

Cub Report for Suburban News.

### In Memory of...

**HARRY EDGAR HOWE**  
7/13/2009

Brother Howe was born on the 26<sup>th</sup> Day of December 1926 in Irvin Kentucky . He was received his Entered Apprentice Degree on the 14<sup>th</sup> Day of November 1963, he

was passed the degree of Fellow Craft on the 16<sup>th</sup> Day of January 1964, and raised to the the sublime degree of Master Mason on the 20<sup>th</sup> day of February 1963, all in Suburban Lodge 740 F&AM.

He was a faithful member for 46, years, having completed the designs upon his trestle board brother Howe laid down the working tools of his busy life and entered that celestial Lodge above on the 13<sup>th</sup> Day of July 2009.

He is sadly missed by his children other family members and many friends. No Masonic Services were performed.

## Lorraine Assembly

### Order of the Rainbow for Girls

It's only mid-July, and I, for one, am ready for summer to be over! The assembly has had many, many events from a Slumber Party, Playing at Gattiland, Shopping at the Mall, attending Relay for Life for the American Cancer Society, bowling and theme meetings. We have also traveled out-of-state!

In June we attended the "Life's an Adventure, Explore the Possibilities" Grand Session at the Scottish Rite Temple and Hyatt in downtown Louisville. The girls worked hard on preparing for their competitions in dance team, ritual, apron and scrapbook. We welcomed new members that will be known as Grand Children for 2009, Maggie Barr and Kasey Gilbert. Miranda Elbert earned her proficiency for 2 color stations and Miranda Klingsmith for Charity's lecture. Miranda Elbert won the award for the best Grand Representative Costume by dressing as a country farm Rainbow Girl from Nevada. It might have had a little to do with the rainbow colored, chocolate covered popcorn that she gave to the judges! Our assembly was also honored to receive the following Grand Appointments: Michaela Reams – Grand Religion, Miranda Elbert – Grand Representative to South Carolina, Brittney Horn – Grand Representative to Ohio, Miranda Klingsmith – Grand Representative to Pennsylvania and Rhode Island, and Mandy Caffee and Lauryn Reams – Jr. Grand Executive Committee.

On July 8 we left for a five day trip to Pennsylvania's Grand Assembly. Miranda Klingsmith was appointed Grand Representative to Pennsylvania and we were lucky enough to be able to plan the trip in less than three weeks! Miranda and four other members, Faith Klingsmith, Miranda Elbert, Michaela Reams and Maggie Barr all went on the trip. Many thanks to Christy List, a majority member of Camp Taylor Assembly, for making the trip with us. The girls got to see the differences of Pennsylvania and Kentucky Rainbow by attending their sessions. We also went to Delgrasso Amusement and Water Park. I think that the girls made several friends that they will keep in contact with for some time.

Hopefully next summer we will be planning even more trips to the other states the girls were appointed to as well as to Supreme Assembly in Omaha, Nebraska.

A few of our members also attended Kentucky DeMolay State Conclave. Jessica Galloway finished her term as State Sweetheart and Rachel Forseth was elected the new State Sweetheart. Miranda Klingsmith is now Sr. Vice President and Miranda Elbert is Jr. Vice President for the Kentucky DeMolay Sorority. We congratulate our girls for the accomplishments in our Masonic Family.

We meet every 2<sup>nd</sup> and 4<sup>th</sup> Monday at 7:30 PM and we invite all of you to attend. If you know any young women between the ages of 11 and 20, why don't you introduce them to Rainbow? We are also looking for girls between the ages of 6 and 10 to join our Pledge Class. I can be reached at (502) 409-4337 or mrbartlett@insightbb.com.

### From the Editor

Jack Riddle

*As I type this, I'm winding my way though the hills of West Virginia, on my way to visit a friend in Winston-Salem, North Carolina. See, the bump*

*in the due date for the newsletter—which is just as much my fault as anyone else's—meant that the time I have to edit and assemble the articles falls smack in the middle of my only vacation this year. So my wife is driving, and I type away on my laptop.*

I am trying a little something different with the photos in this issue to see if print quality might be a bit improved. We use an ink duplicator to produce the newsletter, and it does not handle photos very well as I am sure you have seen. Rather than use grayscale images, as I have done the in the past, I am using pure black and white dithered pictures. In short, dithering is dots. Shades and details are accomplished by varying distance between the dots. Hopefully it is an improvement, but if not it will be to late to fix for this mailing. The results will determine what method I use going forward. Feel free to provide feedback. Of course the online edition will have color images.

messages, checking makeup, looking at a road map; people do all these things and many others while driving. But speeding is the culprit in many fatal accidents. Yes, they are *accidents*, but accidents are caused by drivers who are distracted by something while barreling down the road at an unsafe speed, and breaking the law while doing it.

I personally thought I was the only person in the world who set my cruise control on 55 mph when the legal speed was 65. I feel much safer, I'm using a lot less gasoline, and I get where I'm going on time because I left early enough to drive safely. I don't care how many cars pass me.

But my friend Ronnie told me the other day that he drives *50 mph* on the highway. Kudos Ronnie. If everybody drove as safely as you and I drive the number of accidents, and especially fatalities, would fall dramatically.

Some time ago I read an article in the newspaper written by a Preacher who said he was called by God to preach against the use of alcoholic beverages in Kentucky. This man held a position with an organization that labeled themselves a "Temperance League," and he was paid to travel the entire state and preach against the manufacture, sale, and consuming of alcohol beverages. He said this was not only a sin against God, but it was also against the law in most Kentucky counties, and he didn't break God's laws or government laws.

Then his story got interesting. He said he wanted to bring his message to as many people as he possible could, and since he had to cover the entire state to spread the word, he had to drive faster than the speed limit. He had already gotten a couple of tickets for speeding, and was afraid if he got any more he would lose his drivers license, and may have to drive without a license, because he just *had* to obey God and try to erase alcohol from Kentucky. *What?* Isn't it illegal to drive without a license in Kentucky? He had just said he wouldn't break *any* laws. Go figure.

But then he found the solution to his problem. He installed a C.B. radio in his car so he could stay in contact with long-haul truck drivers to find out where "Smoky," (the State Police) was checking speeders on their radar, so he wouldn't get

a ticket for speeding and lose his license... *What? He was speeding? Isn't That Breaking The Law?* And he was doing it *intentionally!* It's a good thing he was in Kentucky, because it's illegal in many states to have a radar detector in your car. I almost fell off my chair!

But after awhile he said he didn't like to use the C.B. any more because the truckers used bad language, and he didn't think God wanted him to hear it. I wondered if I should feel sorry for the poor guy. Apparently God didn't care if he broke Kentucky's laws, and put himself and everybody else he met on the road in danger of getting hurt or killed; God just didn't want him to hear bad language. Something doesn't make sense here.

And the story gets even better. He told his children about his dilemma, and they felt so sorry for their poor old law-breaking dad that they got together and bought him a Fuzz Buster radar detector for Christmas. He said he was so happy he almost cried. Now he wouldn't have to listen to bad language from those nasty old truckers, and he would always know where "Smoky" was. If he heard his Fuzz Buster start beeping all he had to do was slow down to the legal speed limit until he was out of their sight. Then his lead foot would probably stomp the accelerator again, and if he didn't cause an accident and hurt or kill himself or somebody else he just might stop somebody from taking a drink of alcohol.

Now I don't know this man, and I won't call him hypercritic because I'm not supposed to judge him, but I really wonder about his morals, and even his intelligence. He seemed to contradict himself in his own article. And he appeared to be so happy that his children bought him the radar detector. What kind of example is he presenting to his own children? Is he teaching them that it's O.K. to break the laws of the land? Maybe he figures that those laws were made by man, and since he was a man of God they didn't apply to him. Maybe I could find this dude and ask him, but I'm afraid he would want to smell my breath to see if I had been drinking for questioning his line of reasoning, and I don't want to get that close to him.

Oh well, I can't do anything about this menace on the road, but I have my own future figured out. When I get too old to drive safely I'll ask my good friend Ronnie to drive me. I'm sure he will get me there safely — *at well below the speed limit!*

**TRUE STORIES AND EVENTS**

**THE CUP OF BROTHERLY LOVE**

On September 7, 1929, after rising his son Brother Norman B. Hickox, Master of Events Lodge No. 524, Illinois, formally presented a beautiful silver cup to the lodge. He also presented a book of travel and a specially prepared carrying case. The cup was to be sent on a journey, traveling always from West to East by land sea or air, and always in the custody of a Master Mason.

On November 19, 1929, the book and cup were taken to Ashlar Lodge No. 308 in Chicago to start the journey. The book recorded the places and circumstances of each visit of the cup.

On the journey the cup was received by more than 150 host lodges. It touched places all over the world. On May 24, 1958, a home-coming celebration was held at Evans Lodge to commemorate the return of the cup to the lodge. The Cup of Brotherly Love, an illustrated account of this odyssey, was published by the Masonic Service Association in 1959.

**LODGE IN TWO COUNTRIES**

At one time Golden Rule Lodge No. 5 of Stanstead, Canada, occupied a lodge room which was bisected by the boundary between Canada and the United States. It had entrances from the Vermont and Canadian sides; the membership of the lodge consisted of men from both sides of the border.

**AN IRISH MESSAGE ON STONE**

In 1860, at Limerick, Ireland, there was found in a small chapel a stone dated 1517 with the following inscription:

"I will serve to live with love and care, Upon the level, by the square."

**THE STATUE OF LIBERTY AND FREEMASONRY**

The famous Statue of Liberty in New York Harbor was designed by a Frenchman, Frederick A. Bartholdi, a Freemason. The Grand Lodge of New York laid the cornerstone with masonic ceremonies on August 5, 1885.

**FREEMASONS IN THE AIR**

On his famous solo flight over the Atlantic in

1927 Colonel Charles A. Lindbergh wore the square and compasses on his jacket as a good luck emblem. He was a Mason at the time.

When Bernt Balchen, explorer and air pioneer, flew over the North Pole and the South Pole with Brother Richard E. Byrd, they dropped Masonic flags on both Poles. In the 1933-35 expedition over the South Pole, Brother Balchen also tossed his Shrine fez on the Pole.

Leroy Gordon Cooper, Jr., famous astronaut, on his 22 orbit flight carried a Masonic coin in his pocket as well as a blue Masonic flag which he later presented to his mother lodge, Carbondale No. 82, Carbondale, Colorado.

On August 23, 1879, Lodge No. 239 of France held a meeting in a balloon flying over Paris, at which time a Brother was initiated.

The inventors of the first balloon were Joseph Montgolfier, Michel Montgolfier, and Jacques Etienne; all were members of the Nine Sisters Lodge in France.

Brother Eddie Rickenbacker, World War I ace, was a devoted Mason for many years.

**FREEMASONS AND THE MAYO CLINIC**

Dr. Charles H. Mayo, one of the founders of the famous Mayo Clinic in Rochester, Minnesota, was a Mason. His son Charles W., who also was a Mason, became governor of the Clinic, which began in the Masonic Temple building in Rochester. The Grand Lodge on Minnesota for years has maintained a representative at the Mayo Clinic in Rochester to assist Masons planning to come there and to make their stay pleasant.

**FREEMASONRY IN THE WHITE HOUSE**

James Hoban was the architect who designed and supervised the construction of the White House. When the British destroyed this building during the War of 1812, he designed the one replacing it. James Hoban was a Mason. He was probably present when the cornerstone was laid by Maryland Lodge No. 9 of Georgetown on October 13, 1792, with Masonic ceremony. He was also a devout Roman Catholic.

During President Truman's term of office it was necessary to rebuild the White House. In 1952, while the work was in progress, Brother Truman discovered that some of the original stones contained traditional

"Mason's marks". He directed that these stones be preserved and delegated the duty to Major General Harry H. Vaughan, Brother Renah F. Camalier, and the Grand Lodge of the District of Columbia. These stones were distributed to the Grand Lodges of the United States and to certain territories and foreign governments. On February 22, 1966, the last stone was presented to the George Washington National Masonic Memorial Association for display in the Temple on Shooter's Hill.

**From the Conductress**

Greetings to all,

Our thanks for your support with the Baking Basket fundraiser. We received \$ 94.00. The drawing for the basket was held after the inspection of our chapter in June. Congratulations to Sue Hack from Zoneton Chapter in District 19 whose name was drawn. The inspection of our chapter by our Worthy Grand Matron sister Diane Ford-Gilroy went very well. We had a delicious meal before the meeting and enjoyed seeing everyone. We will be having a Bake Sale at the Fish Stand at Suburban Lodge on Saturday July 25th and again on Saturday September 19th. Please come out and support our chapter and enjoy the baked goods and the delicious fish. I know with the summer heat folks maybe staying at home inside but the building is air-conditioned so come on out and enjoy sharing the fellowship and friendship with one another on the 3rd Tuesday of the month. We miss you when you are not there. Just remember ....FRIENDS ARE LIKE FOUR-LEAF CLOVERS, HARD TO FIND, BUT LUCKY TO HAVE.

## Southern Star - In Memoriam

### Brother William Overweser – October 10, 2008

Brother William was initiated into Southern Star on January 20, 1976 where he remained a faithful member for over 33 years. At age 96, Brother William was our third oldest member.

### Sister Barbara Bellar – June 15, 2009

Sister Barbara was initiated into Southern Star on November 19, 1957 where she remained a member for almost 32 years.

### Sister Frances Jordan – June 21, 2009

Sister Frances was initiated into Southern Star Chapter on June 15, 1943 where she was a devoted member for 66 years.

## \*\*\*CONGRATULATIONS!!!

Our congratulations are extended to Sister Myra Curry who has been chosen as next year's Deputy Grand Matron for District 1 and to Brother Rick Ballinger who has been appointed as a General Grand Chapter Committee Member for 2009 – 2012. We are behind you and will support you in these awesome appointments!

## Southern Star Social Club

Well, just a few short words to say hello from your Social Club and to invite you to join us on the Friday evening following our Chapter meeting on the third Tues of the Month. We usually have a pot luck dinner and have a short meeting afterwards. Please bring a covered dish and invite your family and friends to dine with us. They don't have to be a member of Eastern Star to join us to eat.

I'd like to say congratulations to our Worthy Matron for having a successful Inspection last month. It was nice to see a large crown join us for the meeting and refreshments. I hope each of you are in good health and that God blesses you with much happiness. Come join us next month and see what you have been missing.

## Eastern Star Home Project

The Designing Women have been given the challenge, by the Worthy Grand Matron, of raising money for new floors in the OES Home. With that in mind, it is our hope that you will enjoy our Poem below and be prepared for the surprise that is in store at Grand Chapter. A small hint ... We don't "KISS" and tell.

### The Bakeless Bake Sale

Many is the time I heard you say  
I would rather give a "Dollar" than bake today  
And so, we are asking you to help more or less  
To make our Bakeless Bake Sale a big success.

Just send us the money that it would take  
To Bake a loaf of bread or a beautiful cake  
Or send in the amount of money it takes to buy  
A dozen rolls or maybe a pie  
We know you can help us if you will but try.

Thank you again for your help in funding this very worth while cause. Checks should be designated to the Designing Women fund and can be mailed to:

OES Home  
923 Eastern Star Court  
Louisville KY 40204

OES Love,

The Designing Women
