GREETINGS FROM THE EAST:

Brothers this year has been amazing! The officers have done an excellent job on their degree work and the membership has been growing. The only concern I have is the volunteers at the fish fry have dwindled. Without help from you, the ones that donate their time are growing weary. Please remember it is the fish fry that makes it possible for us to afford the luxury of such a beautiful lodge and the ability to donate to our charities. So please re-check your schedules and start making time to volunteer at the fish fry on Saturdays.

On a brighter note our annual picnic was a big success. Thanks to Brother Joe Marshall, Brother Rusty Portman, my wife and other volunteers who helped make the picnic great! Without their support the picnic

would not have been possible.

In October we will be honoring our Past Masters on Family Night October 31st. So mark your calendars and plan on joining us on this special night.

In closing, may all of the blessings of heaven be with you and your families. Be safe in all your travels.

Lodge Challenge Coin

The brothers of the Lodge recently voted to create a lodge challenge coin to be used as a gift for visitors and dignitaries. The source of the coins has been secured, and now we set about the task of creating a design for said coin. If you would like to be involved or have a voice in this work, please contact jack@ancientcraftmasonry.com to be notified of when the committee will meet and discuss the layout.

ARE YOU DISSATISFIED?

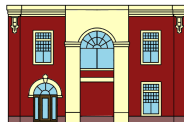

by Brother Tom Mercer,
Senior Warden

Our members know, or should know, the duties of the Senior Warden. Yet many, for reasons other than infirmity or illness, have gone away without a word. I am reminded of their absent faces by the same faces I see again and again on our Lodge committees and among the graying laborers in our Social Club who struggle each week to help support our charities and our Lodge. And so I must ask, are you dissatisfied?

Or are you satisfied? Are you satisfied to "let George do it"? I'm talking, for example, about your brother George Parker and his twin brother Claude, also your brother, both in their 80s. These brothers work almost every Friday morning next to empty spots at our fish mealing tables. Yet they never tell me they are dissatisfied. By example, without words, they tell me that you get out of Masonry what you put into it.

That is not to say, despite the best ef-

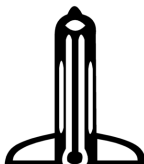

forts of our Master, that there are not things with which to be dissatisfied in Masonry and in our Lodge. As Masons we are taught that we cannot reach perfection until we have laid down the working tools of a busy life and entered that celestial Lodge above. The point is that we must be about the work.

In recent days many members have complained to your Senior Warden that Suburban is not a sufficiently welcoming Lodge to minorities and the young. Your Senior Warden is humbled by the task of seeing that these members do not go away dissatisfied. Yet we know that all things are possible when one realizes that he is not alone.

The Great Architect has given us hands with which to work, and only with many hands performing many mundane tasks was a great Temple completed. How could that have been accomplished if most of the workmen had gone away dissatisfied?

And so I ask, are you dissatisfied? You probably should be. But the question is, what are we together going to do about it? I'm listening. Come back and tell me about it. Help give your Lodge a chance to meet its obligations.

Greetings from Lorraine Assembly #6

What fun we have had so far! Starting with Kaylan Gilkey's Installation which was held on Sunday July 28. She had a wonderful Installation with many guests in attendance. She has many fun things planned for her term. Since the Installation the girls have been working the fish fries, were the guests of honor at Crescent Hill OES, went to the Kentucky State Fair, attended the Fall Leadership Weekend, went to the lodge picnic and have had several meet-

ings.

Currently the girls are working on fund raisers to include selling [Krispy Kreme](#) gift certificates. These certificates are \$7 each which will get you a dozen Krispy Kreme doughnuts. Please see Carolyn Reams if you would like to purchase certificates for the doughnuts. The girls will also have a few bakes sales at the fish fry to help raise money as well. We are also looking for ideas to raise money for Supreme Assembly which will be held next year. If you have any ideas and would like to help us out please contact us.

Before the end of the year we have several activities going on to include: trip to Cave City, a Halloween Party, JDRF Texting Day, Angel Tree Shopping Trip, a Christmas Party and a trip to see Lights Under Louisville. On November 11th during our regular meeting we will have a Thanksgiving Meal in combination with our Grand Cross of Color Banquet. During this Banquet we will also have our Official Visit with Meredith who is the current Grand Worthy Advisor. If you have received your Grand Cross or not, please come and join us. The girls will also be heading to Bowling Green for the Grand Worthy Advisor's Christmas Party to be held December 28th-29th. This is always a fun trip and a time to visit with all of the Rainbow Girls in Kentucky.

Lorraine Assembly #6 invites you to attend our meetings which are held every 2nd and 4th Monday's. We start our meetings at 730 and would love to see you. If you know of any young ladies between the ages of 11 and 21 who would like more information about becoming a Rainbow Girl please contact me. We also are trying to get younger girls to join our Pledge Class which are girls from the ages of 6 to 11. Pledge Class Girls meet during the regular meeting and plan service and fun activities along with the Rainbow Girls.

If you have not attended chapter lately, you are missing out on a good time. We held elections at our September meeting and will have installation on October 4th. Dinner is at 6:00 and the Installation will begin at 7:00.

I remember in the past when we had many sideliners in addition to the officers. Now, we struggle to fill all of the offices. Every one of you is important to Southern Star, whether you attend the meetings, bring/serve refreshments, or hold an office. You Count!!

Our Worthy Matron elect, Gail Perry, is making many plans for the next year. I invite each of you to come back to our meetings. Remember, we meet on the 3rd Tuesday each month at 7:30 p.m. Our meetings normally do not last very long then we go downstairs for refreshments and fellowship.
